Granite City, Illinois, Monday, November 4, 1974

37 candidates, 3 proposals on ballots at 61 polls Tuesday

By HARRY BARNES
Press-Record Staff Writer
Quadrant City area voters will go to the polls in the 1974 general election tomorrow to ballot for state, district and county officials. They also will vote for a U. S. Senator at the top of the ballot, elect County Board members in five area districts and ballot on three special propositions.

Polling places will open at 6 a. m. and close at 6 p. m. Quadrant City voters will vote in a total of 61 precincts—32 in Granite City, 11 in Venice, 11 in Nameoki Township and seven in Chouteau Township.

A vote of approximately 70,000 countywide was predicted today by County Clerk Eulalia Hotz who said she based the prediction on a 73,000 vote cast in the last "off-year" election four years ago.

A comparatively quiet campaign has given little reason to expect a heavier-than-usual turnout Tuesday, and some political sources say they expect a vote of less than 70,000.

At the county level, Quad-City and Madison County voters will elect a sheriff, county clerk, county treasurer and superintendent of the educational service region. In district voting they will elect a congressman from the 23rd Congressional District, which includes the Quad-Cities, and three state representatives of the 56th Legislative district.

Voters will decide only two county races in which County Treasurer George Musso and Sheriff John Maerz, both Democrats, are opposed by Republican candidates, Donald W. Emde who is opposing Musso, and Robert J. Urban who is opposing Maerz.

Evelyn Bowles, chief deputy clerk in the county clerk's office, is without opposition in her bid for election as county clerk on the Democratic ballot.

Harold E. "Gene" Briggs, candidate for superintendent of the American Motorcyclist Association in Worthington, Ohio, also is without opposition.

Voter interest in the County Board race in this area has been centered in Nameoki District 26 where two independent candidates, Mrs. Helen Hawkins and Bradley "Mike" Briggs are opposing the re-election bid of incumbent Board Member Louis Whitsell, who also is Nameoki Township supervisor.

Whitsell is on the Democratic ballot. There are no Republican candidates for the post. It is the only district of the Quad-City area in which there is opposition for County Board seats.

Election of board members also is being held in District 16 (Chouteau Township) where Walter "Dick" Sparks, now township supervisor, is the only candidate on the Democratic ticket without Republican opposition; District 20 (Granite City) in which incumbent Nelson Hagnauer is the Democratic candidate without opposition; District 21 (Granite City) where Daniel J. Farney is the only Democratic candidate without GOP opposition; and District 19 (Granite City) in which William Webb, incumbent, is the only Democratic candidate without opposition.

At the top of the ballot, area

Protest vote—the 'no shows'

By KEN WATSON
Press-Record
Springfield Bureau

Look for a big protest vote on Tuesday. But it won't be at the polls.

Reports flowing into the Statehouse from Illinois' grassroots are that thousands of voters will register disgust with politicians in general by staying home and not voting for anyone.

Republicans, who are having all sorts of trouble this election year, will once again suffer the most.

Chicago Mayor Richard J. Daley's machine can be counted on to deliver the big city Democratic vote as usual. Individualistic Republicans and independents are more likely to sit out the election.

Beneath the Statehouse Dome there are predictions that

tomorrow's voter turnout may be the lowest in years. It could dip below three million.

This would be quite a drop from the 3,731,006 votes cast in the last off-year election in 1970, itself one of the less exciting years in Illinois political history.

That was the year Democrat Adlai E. Stevenson won his seat in the Senate, defeating an appointive Republican Senator, the late Ralph T. Smith, by 545,236 votes.

The total vote in 1970 was almost 200,000 below the 3,928,478 cast in the last previous off-year election in 1966, when Republican Charles H. Percy ousted veteran Democratic incumbent Sen. Paul H. Douglas. This was the last exciting Senate race in

(Continued on Page 27)

With 13 local candidates on the ballot tomorrow, Quad-Cityans share in the national concern that voter apathy will lead to a low and unrepresentative general election turnout.

Democrats are expected to score heavy gains across the United States, and a similar trend is expected in this region, although a few surprises have not been ruled out.

Quad-City area candidates include:

State representative nominees Rep. Horace L. Calvo

(D, Granite City) and Everett G. Steele (R, Glen Carbon), a Granite City resident.

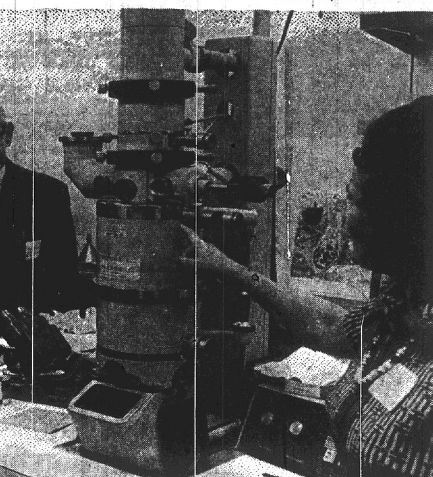

Superintendent of the educational service region Harold E. "Gene" Briggs (D, Nameoki Township).

County Board District 16, incumbent Walter Sparks (D); Dist. 19, incumbent William B. Webb Jr. (D); Dist. 20, incumbent Nelson Hagnauer (D); Dist. 21, Daniel Farney (D);

No immediate GC coal impact

Granite City Steel will not be immediately affected if a national coal strike begins Nov. 12, President Howard M. Love said Friday in distributing a letter to plant employees.

Love commented, "This second letter in a month and a half has been precipitated by some significant changes in outlook."

"There has been a continued decline in steel output at Granite City and the overall demand for steel mill products has definitely begun to soften."

"It will be necessary to extend the layoff period for some employees as there is less than the usual amount of in-process steel for the 30-inch hot strip mill and beyond during this period."

"Inventories were pulled down by record shipments during the first nine months and then input production was cut back substantially by the shutdown of the A blast furnace."

"Work levels at Granite City Steel will also be affected by the outcome of impending contract discussions between the major coal companies and United Mine Workers union."

"Coal mining in most of the U. S., and coal deliveries to our plant, will come to a halt unless

the companies and union agree on a new contract by Nov. 12. "Should there be a prolonged coal strike, it would definitely affect Granite City Steel operations," President Love said.

"We have very limited supplies of coal on the ground for coke production, as deliveries from the mines have been below normal in recent months."

"However, if there is a strike our principal concern will be to avoid cooling and cracking damage to the ovens themselves."

"We plan to maintain uniform heat on the oven brickwork as long as possible by extending the time the coal remains in the ovens for cooking."

"The impact of a strike on the rest of our operations would not be felt right away. With one blast furnace down for relining, we have been producing more coke than the other furnace consumes."

"In addition, we have been buying outside coke and adding it to our stockpile. We expect to have enough coke on hand by November 12 to operate the B blast furnace a month or longer."

"The relining of the A

furnace will be completed early in November and as of this writing we will attempt to blow it in at that time and operate it until we are out of coke."

"The raw materials situation has certainly not improved since my last letter. It appears there will be no letup to shortages and soaring prices for raw materials."

"And it would be worse if we were not able to alleviate the shortages with additional shipments from National Steel's iron and coal reserves."

"Our problems have been compounded by disappointing production at the Pilot Knob, Mo., iron ore mine and pellet plant."

"In addition, the quality of the ore from that part of the ore bed presently being mined at Pilot Knob leaves much to be desired and is creating some difficulties in the operation of B blast furnace."

"Fortunately, we have received supplementary iron ore shipments from National Steel, including some pellets from the Keowatin mine near Hibbing, Minn."

"National has begun to ex-

More precincts but fewer voters in state

There will be four per cent more precincts but five per cent fewer registered voters for Tuesday's general election, it was announced Friday by Michael E. Lavelle, chairman of the State Board of Elections.

Lavelle said Illinois will have 11,297 precincts and 5,679,561 registered voters, as compared to 10,883 precincts and 6,215,331 voters for the November 1972 election.

There were 10,916 precincts and 5,337,692 registered voters for the November 1970 general election.

Lavelle said the increase in precincts is due to population shifts throughout the state. He noted that the decrease in registered voters can be traced to the fact that 1974 is a non-Presidential election year and that Illinois' total population has decreased.

"Presidential year elections," he explained, "historically result in the highest voter registration."

Madison County currently has 197 precincts and 132,538 registered voters.

Fatal auto-train crash

Dennis L. Hampton, 22, of 20 Hampton Drive, Glen Carbon, a native of Granite City and a laborer at Granite City Steel, was killed early Saturday when his northbound auto collided with a Norfolk and Western Railway train on Route 157 at the railroad crossing just north of Highway 162.

Mr. Hampton, who was alone in the car, was pronounced dead at the scene at 12:45 a. m. by Deputy Coroner James D. Laughlin.

He was born in Granite City but was a lifelong resident of Glen Carbon. He was a member of St. Cecilia Catholic Church there.

He had been employed at Granite City Steel Co. for two years and was a member of the Chemical and Oil Workers Union. He also was a member of the American Motorcycle Association in Worthington, Ohio.

Mr. Hampton is survived by his parents, Mr. and Mrs. Lowell (Margaret) Hampton of Glen Carbon; a sister, Catherine Davis of Granite City; four brothers, Alan and John, both of Granite City, and Bruce and Donald, both of Glen Carbon; and his paternal grandparents, Mr. and Mrs. Lowell (Marie) Hampton of Granite City.

Funeral arrangements are given in the obituary column.

Many will go to state playoff game at Peoria

Granite City High School North has qualified for the first Illinois High School Association football tournament, and a big delegation from here is expected to see the Steelers play Wednesday in Peoria.

North, 6-1, has been assigned to play Peoria Central, 9-0, mid-state nine conference champs, in the first round of the state 4A championship series.

"At this time, GCHS North has reached the equivalent of the 'sweet sixteen' in the state basketball championships. If North wins its next four games, it will be state champion," Principal Gilbert Walmsley said today.

"The game with Peoria Central will be played at 2 p. m. Wednesday at the Peoria stadium."

"Tickets are \$1.75 for high school students and adults and \$1 for grade school students accompanied by parents. Tickets for adults are expected to be available at North High School at 7:30 a. m. p. m. and from 5 to 7 p. m. in the main office Tuesday, Nov. 5."

"For the benefit of those who plan to go, the following are directions. It is suggested you take Interstate 55 to Lincoln, Ill., and Route 121 north from

Lincoln to Interstate 74 to Peoria. "Once inside Peoria, take the Knoxville Avenue exit, travel approximately two miles on Knoxville, and the stadium is visible to your right."

Walmsley said he "would like for parents to know that any student attending this game will be released from school, and the absence will be excused."

"Students riding one of the school pep buses will be excused by bus list."

"Those who plan to drive or ride in vehicles with other students or adults must bring a note from a parent giving the name of the person driving the car, parental permission to go, and a telephone number where the parent can be reached to confirm that the note was written by the parent."

"The Steeler Booster Club of Granite City High School North will provide bus transportation to Peoria Wednesday for football fans wishing to view the GCHS North-Peoria Central game."

Charles Logas, club president, said only a few seats remain available on the bus, which will depart from the GCHS North gymnasium parking lot at 8 a. m. Wednesday.

nessday.

He asks persons wishing to make reservations, at \$6.25 per person, for the round trip, scheduled to return here between 8 p. m. and 9 p. m. the same day, to contact him at 797-0125 at 4 p. m. today.

North High School is conducting a fund-raising drive.

Calls—link to vanished pair?

Two telephone calls to a Granite City business are being investigated by authorities as a possible clue into the whereabouts of two men who disappeared from the Radio Shack store in Florissant, Mo., last Monday.

A secretary at Total Comfort Systems, 2260 State St., reported a woman caller contacted the business twice in the past week asking for Julian Friedman, president of the company.

Friedman is the father of Todd L. Friedman, 22, a Radio Shack employee who "disappeared" from the Florissant store, Fred Gen, 21, the Florissant store's manager, also is missing.

A customer called Florissant police last week and reported the store was open but no one was inside. Police discovered that about \$255 in small bills had been stolen, but \$115 was left behind.

The secretary at the Total Comfort Systems store here said the woman caller who was attempting to reach Friedman's

father said she was calling from Orlando, Fla. Police believe the calls may have been made from the St. Louis area.

A \$2,000 reward is being offered for information leading to the finding of the two men, police said.

\$1,190 burglary
William Gilson, 2783 Harding Ave., reported at 10:52 a. m. Friday, that several items were removed from his home during the night after entry was gained by prying off a rear door knob.

Taken were a stereo set, a turntable, two speakers, tape deck, a 35 caliber pistol and a 16 gauge shotgun, all with a total value of \$1,190.

Brewer gets Smith post

George T. Brewer has been appointed corporate director of transportation and distribution for A. O. Smith Corp.

He replaces Richard H. Heilman, who is taking early retirement.

Brewer, 51, an A. O. Smith employee since 1948, has been corporate manager of transportation pricing and research since 1971. Prior to that, he was manager of transportation rates and services, a post he was appointed to in 1966.

Starting as a rate analyst at A. O. Smith's Milwaukee plant in 1948, Brewer worked his way up through the ranks of traffic and distribution at the company, becoming traffic manager of the Milwaukee Works operation in 1961, assistant general traffic manager in 1964 and traffic manager of rates in 1969.

He has been president of the Milwaukee Traffic Club, chairman of the Wisconsin Chapter of Interstate Commerce Commission Practitioners, and an instructor in transportation courses and seminars at the University of Wisconsin, both in Madison and Milwaukee.

The St. Louis native lives in Greenfield, Wis. He is a former resident of New Berlin, Wis., where he had been active in community activities as president of the New Berlin Park and Recreation Commission, a member of the City of New Berlin Planning Commission and a commissioner in the New Berlin Youth League.

Brewer and his wife, Irene, have three children.

Heilman's career in transportation spans four decades. As corporate director of transportation and distribution for A. O. Smith, he was actively involved in automotive and truck component shipments by the millions.

Heilman, 60, joined A. O. Smith in 1959 as assistant traffic manager, after serving as a clerical worker and rate analyst for the Ahnapee and Western division of the Green Bay & Western Railroad in his home town of Sturgeon Bay, Wis.

He was made assistant general traffic manager in 1963, general traffic manager in 1964 and was promoted to director of transportation in 1967. In 1971, he was named corporate

GEORGE T. BREWER

director of transportation and distribution.

Heilman was one of those at A. O. Smith involved in developing a horizontal loading system that has revolutionized frame shipments, while saving millions of dollars in annual transportation costs for automotive manufacturers.

He has been responsible for the introduction of 89-foot flat cars for auto and truck frame shipments and also has had a hand in the use of special designed box cars for shipping glass-lined water heaters from A. O. Smith's Consumer Products division plant in Kankakee, Ill. The division was among the first in the appliance industry to use the special cars, which are now widely used throughout the industry.

Heilman has been a regional vice-president of the National Industrial Traffic League, past president of the Transportation Club of Milwaukee and Milwaukee Traffic Club, past chairman of traffic committees for the Wisconsin Manufacturers' Association and Milwaukee Association of Commerce, and has held other leadership positions in various organizations in the transportation field.

Lorraine Rice, 17, dies

Lorraine Marie Rice, 17, of 1112 W. Country Lane, Collinsville, died at 5:21 a.m. Friday at Bellevue Memorial Hospital of injuries sustained in an accident on Oct. 16.

According to the family, the girl was walking along the road near her home when she was struck by an auto. She had been hospitalized since the accident.

She was born in Granite City and was a senior student at Collinsville High School, Greenwood campus. Survivors include her parents, Mr. and Mrs. Ralph H. (Dorothy Greenlee) Rice; a son, Damian Keith Rice; two sisters, Mrs. John (Jeanne) Craig of Cape Girardeau, Mo., and Miss Dorothy Ann Rice, Collinsville; one brother, Richard R. Rice, San Antonio, Tex.; and grandmother, Mrs. Flora A. Rice of Granite City. Funeral services were held today. Details are given in the obituary column.

Coal miners favor Price

The Coal Miners Political Action Committee of the United Mine Workers has endorsed Rep. Melvin Price, Dem., 23rd Ill. District, for re-election.

In a letter from the Political Action Committee, Price was told that upon review of "your record and your stand on issues, the coal miners and their families want to support your efforts to represent them."

The endorsement concluded, "Our council members believe that you can provide the decisive leadership your constituents and our members, want in Washington."

Upon receiving the endorsement, Cong. Price said, "I am proud to have the support of the working men and their families in the coal industry. These are the people who are crucial to the United States becoming energy self-sufficient."

Park improvements voted

Construction of a lighted softball diamond at West Granite Park on Rock Road and installation of a basketball and tennis court at the same location were approved last week at a meeting of the Granite City Board of Park Commissioners.

Two new tennis courts also were approved as additions to the present court complex at Wilson Park.

Location for the lighted softball diamond had been discussed previously, with Worthen Park also under consideration, it was learned. The Worthen area was ruled out after a survey revealed construction of a diamond there would interfere with the front design of the park and that adequate space barely was available.

A proposal was accepted from Willard Given & Associates, a St. Louis engineering firm, for engineering services, preparation of specifications

and design plans, not to exceed \$4,000, relating to repair work at Wilson Park swimming pool. Also approved was a final payment of \$814 for architect fees for the park maintenance building, and the district's 1973 audit report, submitted by Oliver W. Schneider Co. of Clayton, Mo., was accepted.

If your savings place doesn't offer all these good things, it probably doesn't have an Oliver either.

ILLINI FEDERAL
 SAVINGS AND LOAN ASSOCIATION

1. 5 1/4% Passbook

The simplest way to start saving. Add any amount anytime—withdraw anytime, too. You earn the highest interest allowed by law.

2. 5 1/4% Golden Chief Passbook

A minimum balance of \$50 earns the highest interest allowed on this account. You can withdraw on 90 days notice, or during the first 10 days of any quarter if the money has been on deposit for 90 days.

3. 6 1/2% Savings Certificate

This certificate matures in just one year. It's issued for a \$1,000 minimum or \$500 multiples above the minimum.

4. 6 1/2% Savings Certificate

You'll earn more than you would on many Blue Chip stocks with this 30-month certificate. It requires a \$5,000 minimum or \$500 multiples above the minimum.

5. 7 1/4% Savings Certificate

Deposit a minimum of \$5,000 for 48 months and we'll guarantee you a 7 1/4% return on your investment each of those four years.

Federal regulation requires a substantial interest penalty for early withdrawal on certificates.

6. Daily Interest

We compound interest daily and pay quarterly on all savings plans. That means you earn from the day of deposit to the day of withdrawal, and you get a higher annual yield.

7. Monthly Interest Payments

As a certificate saver, you can receive monthly checks for your interest, if you prefer.

8. Home Loans

We tailor loans and payments the way you want them for homes and other good reasons.

9. Mobile Home Loans

10. Home Improvement Loans

11. College Loans

12. Insurance

Our subsidiary, Illini Service Corporation, handles life, disability, fire, homeowners, all types of insurance.

13, 14. Traveler's Checks and Money Orders

You can purchase both Traveler's Checks and Money Orders at any Illini Federal Office.

15. Save by Mail

To save gas, save by "Trip Saver." We furnish the Trip Saver envelopes for deposits, withdrawals and new accounts. Postage is paid both ways.

16, 17, 18, 19. Four Offices

You can do business at any Illini office, regardless of where you opened your accounts. All transactions are sent through direct computer terminals to the central computer system in Fairview Heights where they're instantaneously recorded.

20. Drive-Up Windows

You can make all transactions without ever leaving your car at all our offices.

21. Free Parking

Our East St. Louis, Fairview Heights and Greenville offices have free customer parking adjacent to the buildings. In Alton, indoor parking is available with direct access to the lobby.

Wilson-MacZura wedding at Nameoki Methodist

Burning blue candles in white branched candelabra, accented with smilax and blue velvet streamers, together with white hurricane lamps down the aisle illuminated the sanctuary of Nameoki United Methodist Church Saturday evening for the wedding of Miss Margaret Anne MacZura and Glen Earl Wilson.

Mrs. Phyllis Talley presided at the organ and played several selections prior to arrival of the bridal party. She also accompanied Miss Linda Bennett, a cousin of the groom, who sang "If" and "The Wedding Song." Mrs. MacZura, mother of the bride, sang "The Lord's Prayer" during the service.

Officiating at the double ring ceremony at 6 o'clock was the Rev. William D. Foster. Parents of the bride are Mr. and Mrs. Warren MacZura, 3208 Aubrey Ave. The groom is a son of Mr. and Mrs. Glen Wilson, 15 Victoria Drive.

Escorted to the altar by her father, the bride wore a white Chantilly lace gown made with a fitted bodice and long tapered sleeves forming points over the hands. Gathered rows of lace, etched with seed pearls, created the bouffant skirt and cascaded from the waist to form a cathedral train.

Her elbow length veil was accented with Chantilly lace and secured to a headpiece of floral lace, centered with pearls. She carried a cascade bouquet of white roses, orchid and blue carnations and baby breath, festooned with white velvet streamers.

Maid of honor Miss Darla Smallie and junior bridesmaid Miss Cindy Wilson, a sister of the groom, were dressed alike in baby blue crepe gowns worn with dark blue velvet jackets.

The Empire style bodices were gathered and featured cowl necklines. Dark blue velvet ribbons intermingled with white Sweetheart roses and blue baby breath were worn in their hair and each carried a cascade of orchid carnations, white Sweetheart roses and baby breath.

Bridesmaids Mrs. Marilyn MacZura, a sister-in-law of the bride, and Mrs. Debbie Vincent and Miss Kathy Wilson, sisters of the groom, appeared in identically styled gowns in a light orchid shade, complemented with deep purple jackets.

Their flowers were arrangements of orchid carnations, baby breath and deep purple streamers.

The groom chose Bryan Schmidt as his best man, Doug Littleman, Chuck Reynolds, Danny Wilson, a brother of the groom, and Bruce Bennett, the groom's cousin, served as groomsmen.

Terry MacZura, a brother of the bride, and Dale Anderson escorted the guests to their seats.

Miss Debbie Barham registered the guests at a reception held at the Engineer's Hall immediately following the ceremony.

Shower fetes Lorain Ranft

A bridal shower complimenting Miss Lorain Ranft, a January bride-elect, was given last week at the Koinonia Center by Mrs. Delores Eubanks, Mrs. Alice Hodshire and Mrs. Lucille Kahler.

Flower filled love bird cages centered the tables and the gifts were placed on a table decorated in a green and gold autumn theme. Smaller bird cages were given as individual favors.

Games were played and prizes were awarded to Mrs. Sammy James and Mrs. Ella Wade.

Assisting the guest of honor in opening her gifts were her bridesmaids, Mrs. Jennifer Moore and Miss Victoria Klingman.

The honoree is a daughter of Mr. and Mrs. Carl Ranft, 2650 Delmar Ave. She will be married to Frank Mehell on Jan. 31.

Also attending the party were Mesdames Marilyn Juneau, Dorothy Anderson, Joan Kaseburg, Melba Tarpoff, Marge Ezell, Clark Kelly, Doris Bachelder, Jean Bischoff, Judy Crews, Mary Ranft, Rose Labusier, Hilda Ruish, Erna Hunter, Melba Mehell, Sally Mathis and Lorain Ranft.

Parkview School carnival Nov. 15

Parkview Parent-Teacher Association will present its second "Fall Carnival" at the school Friday, Nov. 15, featuring games, booths, prizes and food items.

Mrs. Karen Melton, general chairman, said the carnival is planned from 4:30 to 9 p.m., with hot dogs, pizza and cole slaw, among other dishes, to be served starting at 5 p.m.

A 10-cent admission charge will entitle the carnival patron to prizes, the chairman said. Included among the booths will be a display of inexpensive handmade items suitable as Christmas gifts, Mrs. Melton noted.

The public is invited to attend the event.

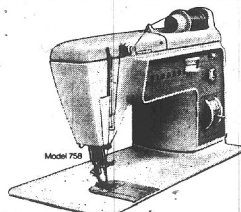

ATTENTION VOTERS

I would like to take this opportunity to ask the voters, that supported my candidacy in the spring primary, to cast your vote for **JOE LUCCO** for Democratic State Representative of the 56th District, on Tuesday, Nov. 5, 1974.

I feel **JOE** will represent all the people of the 56th District, with the highest integrity.

THANK YOU

Madison County designated as U.S. redevelopment area

Cong. Melvin Price (Dem., 3rd Ill.) has announced the designation of Madison County as a Title IV redevelopment area by the federal Economic Development Administration. Rep. Price explained that as a Title IV area, Madison County now is eligible for EDA loans as well as grants under the Public Works and Economic Development Act of 1965. Grants and loans may be made for public works and development facilities as well as loans for industrial and commercial purposes in certain redevelopment areas.

"This change of designation should open new areas for redevelopment and moder-

nization projects throughout the country at a time that it badly needed," Cong. Price said, "and will benefit directly and indirectly a large segment of Madison County's population."

Applications are being readied by the U.S. Civil Service Commission for 1975 summer employment, according to Cong. Price. This year the Department of the Interior will have positions open in areas of conservation, such as assistant park rangers, National Park Service employees and the Youth Conservation Corps, as well as GS-1 through GS-4 Civil Service clerical positions throughout

the country. Cong. Price advised that all applications for federal summer employment should be filed with the Civil Service Commission early in January 1975 for consideration. Persons interested in employment should complete the Civil Service Form 171, available at all Civil Service offices, U.S. Post Offices and all federal agencies.

+++ Cong. Price has announced the availability of a new Federal Consumer Publication for prospective 1975 car buyers. Rep. Price explained that the Environmental Protection Agency and the Federal Energy

GRANITE CITY PRESS-RECORD
Mon., Nov. 4, 1974 Page 4

Administration have compiled the Miles Per Gallon Rating for 1975 Cars available free in single copies from Consumer Information, Pueblo, Colo., 81069.

"With gas prices soaring, it would be worthwhile for prospective car buyers to see these mileage ratings," Cong. Price said. "At 50¢ per gallon, the difference in the fuel economy of various new car models can be as much as \$15 every 500 miles. I hope everyone concerned about saving not only their money, but conserving the nation's energy sources will take the time to read this important study."

Key ingredient missing at public hearing

A public hearing Thursday on a proposed Madison County Land Use Plan lacked one thing — the public. Officials of the Madison County Zoning and Appeals Board and of the Southwestern Illinois Metropolitan Area Planning Commission called the public hearing to order, read the required invitation for public comments and adjourned, as no one was in the audience.

MOTOR OVERHEATED

An overheated motor in a ground floor x-ray room at St. Elizabeth Hospital last week resulted in no damage, but firemen were on the scene 25 minutes checking the area.

Vice squad members speak to Kiwanians

The seriousness of the drug problem was emphasized to Breakfast Kiwanis Club members at their Thursday meeting in Charlie's Restaurant.

Sgt. Gary Burns, assisted by Detectives Larry Bull and Glen Neumann of the Madison County Sheriff's Department drug and vice squad, presented the program.

The law enforcement officers had with them a display of drugs taken in various raids. In the discussion of marijuana, it was noted the main danger of smoking marijuana is that the people who sell it almost always sell harder drugs, such as hallucinogens, stimulants and heroin.

The pusher will start a young person on marijuana and then convince the buyer that bigger and better things await when they purchase other drugs on which the pusher makes more money.

One of the major problems of curbing the drug abuse situation, according to the deputies is that no one wants to get involved until it affects them personally. "People like to fool themselves into believing their son or daughter would never take drugs," Burns said. It was noted that a double standard produces a credibility gap; society should judge adults who misuse liquor or drugs by the same standards it judges young people.

Children should not be continually exposed to the idea that the stresses of daily life require chemical relief from pills or liquor, the speakers said. Factual information about drugs should be stressed, rather than attempts to frighten people about the use of drugs, the deputies said.

The club was told that parents should set a good example by not abusing drugs and learn as

many facts as possible about drugs so that the parent will understand the problem and be equipped to discuss it in a reasonable manner.

The deputies distribute copies of a booklet titled "Drug Abuse—Questions and Answers" that was printed by the Madison County Deputy Sheriff's Association as a public service.

The booklets are available to any concerned citizen without charge from the local police departments, or by contacting Sheriff John Maera's office in Edwardsville.

The sheriff's association also has purchased a motion picture called "11:59, One Minute to Choose" that depicts the problems of drug abuse which the club viewed last week. It is available for groups through the sheriff's office.

Kiwanian W. F. "Mick" Strange was program chairman. The program was the second in a three-part program on drug abuse and prevention. Next week's program, according to Strange, will be a young man, 19, who formerly experimented with drugs and then gave them up after getting involved with an Explorer post.

WE BELIEVE IN GRANITE CITY... SO HERE'S WHAT WE'RE DOING

FIRST
GRANITE CITY NATIONAL
BANK
GRANITE CITY, ILLINOIS 62040

Area Code 618/452-1313

Dear Granite City Resident:

First Granite City National Bank is very much aware of the tendency of many Granite City residents to patronize local merchants throughout most of the calendar year, but to do a portion of their Christmas shopping outside of Granite City.

We think this is a situation which can, and should be changed. After all, whatever the shopping need, GRANITE CITY HAS IT! At First Granite City National Bank, we want to make everyone aware of the benefits of shopping at home. Consequently, we are sponsoring this year a program to encourage local residents to "Try Granite City First".

Not only does shopping at home benefit our Granite City merchants, keeping local dollars in Granite City helps to keep the economy healthy. It creates more jobs, it improves the standard of living, and it makes possible a wider selection of merchandise.

During the coming holiday season, watch for:

1. "Try Granite City First" stickers in participating store windows
2. Sales personnel wearing "Try Granite City First" buttons.
3. Store counter cards bearing the legend "Santa Thanks You For Shopping in Granite City".
4. Merchant newspaper ads which include the "Try Granite City First" logo.
5. Merchant radio commercials incorporating the "Try Granite City First" musical jingle.

We think shopping at home is important. We strongly encourage everyone to "Try Granite City First".

Sincerely,

FIRST GRANITE CITY NATIONAL BANK

Doneff roaps, Steelers advance by toppling Mattoon 27-20

Plagued by big plays by the strong state-bound Mattoon High School football squad, Granite City North's "team of destiny" held on for a 27-20 win here Friday night and won its own state playoff berth.

The Steelers, now 8-1, have been paired at 1:30 p.m. Wednesday with Peoria Central (9-0) on the Peoria gridiron.

There were stars aplenty for the Steelers, who made their intentions known from the outset Friday as they ran through a paper banner proclaiming, "North all the way to state."

The defense showed its tenacity, limiting Mattoon to 94 yards on rushing plays.

Quarterback Gene Logas scored a touchdown and completed nine of 15 passes for 112 yards.

And Offensive Back Mike Doneff led the 233-yard ground attack by scoring three touchdowns and gaining 121 yards on 26 carries.

North amassed 22 first downs to seven for Mattoon, which kept in the game with 176 yards gained from nine of 18 passes.

It was the Fall Festival game for the Steelers, and they started on a festive note by moving 69 yards from the opening kickoff—returned by Bill Carr to the 31.

Al Sunderlik, Doneff, Logas and Carr took turns advancing the ball to the Mattoon 11, where Logas pitched out to Doneff. A sweep around right end provided the TD.

The extra-point kick went wide of the mark, leaving the score 6-0.

Mattoon tied the game immediately. Jon Spitz returned the kickoff to the Green Wave 35. After Halfback Rick Moss was held for no gain, Steve Sorenson bolted off left tackle for a 65-yard touchdown run.

Quarterback Red Sink kept the ball on a two-point attempt but was halted short of the goal.

A pass interception by Tom Lawrence thwarted the Steelers but Mattoon had to punt as the first quarter ended, and North drove 60 yards, with Doneff running effectively and Logas completing aerials to John Scott and Larry Schleicher.

With first-and-goal on the eight, Carr ran 36 seven yards and Logas on a quarterback sneak went for the TD. Greg Corey's placement kick was good, providing a 13-6 lead.

GRANITE CITY PRESS-RECORD
Mon., Nov. 4, 1974 Page 6

After sparkling defense by Dale Anderson, Ed Schmidt and Jim Woodward, Mattoon punted to the North 22. The Steelers moved forward 44 on runs by Larry Wright, Doneff and Logas and a pass to Schleicher. From the 16, with 2:41 left in the first half, Doneff rambled up the middle for a touchdown. Corey's kick made it 20-6.

Mattoon was held at the North 38 and the Steelers ran out the clock on the ground.

The Green Wave struck quickly after receiving the kickoff to start the third period. Sink passed to Spitz for an 84-yard TD play on the initial down. A conversion pass failed.

Mattoon later recovered a North fumble at midfield but the Steelers held it and put together a scoring drive after Mark Davis recovered an enemy fumble on the Green Wave 22.

Wright picked up three yards, Sunderlik eight, seven and two yards and Doneff 17 into the end zone from the 10-yard line on a third down play. Corey's kick was on target and the score stood at 27-12.

North threatened in the fourth period but bogged down at the 11 and a field goal attempt was wide.

The Steelers went on the march again at 7:11, needing a fourth-down pass—with six yards needed at the enemy 17—for completion.

Sink's aerial display put Mattoon within 15 yards of paydirt and Sink ran the ball to the end zone but fumbled. Moss fell on the ball for a touchdown.

Sink's pass to Spitz provided another two points for the visitors.

Time remained only for three plays, and Logas grounded the ball on each occasion to preserve the lead and the victory.

WHO'S GOT THE BALL? The pigskin momentarily is out of sight as players of the Mattoon Green Wave and North High School Steelers collide during Friday's 27-20 North victory. Steelers include Guard Keith Lucas (63) on the ground at right and Doug Heth (55). Mattoon players include Darryl Hudson (22) and Fred Hartbank (41).

South, North to play Tuesday; winner goes to state soccer meet

Granite City will have a representative this weekend at the Illinois High School Association state soccer finals as the results of Friday Saturday's sub-sectional competition held here.

The Warriors of GCHS South defeated Cahokia 3-1 Friday and GCHS North downed Collinsville 3-1 Saturday.

Both Granite City high schools will play each other at 3 p.m. tomorrow, at South Field for the sectional championship. The victor then will advance to the state meet.

The Warriors posted their 15th consecutive victory of the season in defeating Cahokia. The Comanches got on the scoreboard first when Dennis Chapel put the ball in the net early in the first period on an assist by Odolin.

South's Rick Becherer tallied his fifth goal in three games 26 seconds later on an assist by Ron Goldschmidt to tie the contest.

"The key to the game," recalls South's Gene Baker, "came in the third period. Dave Sheridan broke the ice for us."

Sheridan, who at the state finals last year provided the winning goal for South's third-place finish, took a midfield pass from Charles Bennington and powered the ball into the net from 22 yards away.

Bennington, limited in his participation due to a leg injury, added the icing to the victory cake eight minutes into the final period, scoring unassisted to raise his total for the season to 32 goals.

South could have put the game in wraps early in the third period of play, but Cahokia's defensive strategy caused two consecutive kicks off the foot of freshman Joe Theis to bounce off the posts.

"They played with eight in the backfield," said Baker, "and that is a tough defense to break through."

"It is a frustrating experience when a team does that. And that accounts for the low scoring."

South outshot the visitors 19-10 and 7-1 on corner kicks. Warrior goalkeeper Marc Mason was credited with saving four shots from scoring, as was the Cahokia goalie. Fouls were: South 15, Cahokia 13.

Across town Saturday at the GCHS North sub-sectional, Collinsville and the host Steelers played down to the wire before GCHS North downed the Kahoks on best-of-five free kicks.

"The game was played well by both sides," commented North's Bob Kehoe, "and as expected they weren't about to roll over and play dead for anyone."

Though four quarters of regulation time, and four sudden-death overtime periods, failed to produce a goal for Collinsville or North, the Kahoks came knocking at North's goal many times.

"We had a real scare," says Kehoe, "late in the fourth period when they headed the ball across the mouth of our goal. Had it not been for Rick Demaree's fantastic save, the season would have ended for us."

Demaree threaded his way through heavy traffic nearly 12 yards from the goal and fought several Kahok players for possession. He finally had to leap high in the air for the save.

With a goalkeeper like Demaree," added Kehoe, "the pressure on the backfield is greatly relieved and they can play a more relaxed game because they know they don't have to do all the work themselves."

The Steeler mentor said he hates to see a game decided on free kicks because "it detracts from the total performance and effort given by the players in the game."

But the players of North found their mark in outwitting Collinsville's goalkeeper, Dave Hatcher, Bill Schlatter and Dan Sedel put the ball past the defender.

Collinsville could only muster one good kick on goal and missed three. Tomorrow's sectional championship clash here be-

ween GCHS North and GCHS South will mark the third time the two will meet this season.

During regular season games, the two Granite City powerhouses have split, each winning by a 2-1 margin in sudden-death overtime.

Both Kehoe and Baker agree that the contest should be dramatic, explaining, "When a successful season rests on an important contest like this, it will be difficult to score against each other because the players will be more alert than ever before."

The victor tomorrow will advance to the first round of competition Friday at Northern Illinois University at DeKalb to play the Lake Forest sectional champion at 7 p.m.

At Lake Forest Friday, the hosts defeated Highland Park 5-4 on free kicks and will meet the winner of the New Trier West sub-sectional tomorrow to decide a state entry.

Young scores 4 touchdowns, Trojans smash unbeaten Sparta

Madison High School returned to the winners' circle Saturday afternoon with a 38-20 triumph over Sparta.

With a tenth game added to the MHS schedule—at home at 12 p.m. Saturday against Pacific, Mo.—the Trojans now have a chance to finish the season with a total of three wins.

The smashing victory Saturday ranked as a considerable achievement because

Sparta's Bulldogs were defeated in eight games and one on the way to state competition having won the Southeastern Conference title.

Defensive player 11, the game was Joe Young, MHS senior halfback.

The 54, 150-pound, red-headed fourth-year senior made six tackles, had one playing on defense, and ran 21 yards on 20 carries.

Madison rushed for 373 yards in only 84 yards for Sparta, and had a 12-60 edge in passing yardage, completing six of nine passes to the Bulldogs' seven of 13.

The Trojans chalked up ten first downs to seven for the visitors and totaled 57 plays on offense to 50 for Sparta.

One Bulldog pass was intercepted and the Trojans recovered two Sparta fumbles

but lost four of their own.

Coach A. Vander Haar's Madison team saw Sparta take an 8-0 lead on a 75-yard march that followed a Trojan fumble.

Mike Weller took a six-yard touchdown pass from David Peck, and Peck then ran the ball across for a two-point after-try play.

But the Trojans fought back for an 8-8 tie two minutes before the initial quarter ended.

Young exploding for a 43-yard run into the end zone to cap a 65-yard drive, the Trojans then running a two-point conversion play.

The Bulldogs again took the lead in the second quarter on an 83-yard advance, Peck tossing six yards to John Smith.

When a two-point conversion failed, the score stood at 14-8.

Madison tied it with three seconds to spare before half-

time on an aerial "bomb." Darryl Franklin hurling the ball to Young on a touchdown pass that covered 63 yards. MHS had started on its own 30. A run for two points was unsuccessful and the score at the halftime intermission was 14-14.

The Trojans moved ahead 22-14 in the third period on an 80-yard drive climaxed with another Young touchdown, a 46-yard run. Dwight Chillas ran a

two-point play.

Chillas added to his point total for the game with a three-yard TD run early in the fourth quarter, concluding an 83-yard march. When Young ran the conversion, the hosts' lead grew to 30-14.

An 11-yard Peck-to-Weller pass provided Sparta points after a 58-yard advance. A run failed, leaving the score 30-20.

The Trojans then iced up the

game with a 63-yard drive capped by a four-yard TD run by Young, and a two-point pass from Mike Woods to Chillas.

In addition to Young's 22 yards on runs, Chillas gained 87 yards, Stanley 72 and Woods 15.

Along with throwing a TD pass, Franklin caught three passes from Woods and Chillas snared two from Woods.

Dalred Hayes starred on defense, making 11 tackles. There were seven tackles each by Stanley, Leroy Booker, John Crook and Chris Horton.

Flyers stop Warriors, capture championship

There is an old joke about the best election day policy—"Vote early and often."

Three days before the Nov. 5 general election, the East St. Louis Flyers scored early and often on their home gridiron Saturday afternoon, the 41-3 win over Granite City High School South gave the hosts a spotless 7-0 Southwest Conference record and the undisputed league championship.

It was the third successive conference football title for East St. Louis.

Second place went to Belleville East, 6-1 in the league after its 10-0 shutout victory over Collinsville Friday night.

In losing to the Panthers, the Kahoks saw their record shrink to 4-3 and a third-place tie with Edwardsville and Belleville West.

West battered Alton 47-20 and Edwardsville romped over Cahokia 32-6 in other Friday games.

Rounding out the final Southwest standings are Alton 2-5, Cahokia 1-6 and GCHS South, 0-7.

Ending their 1974 campaign

with no wins in nine out of 10, the South High School Warriors had an upset victory in mind Saturday and took a 3-0 lead that held up throughout the first quarter.

Recovering an enemy fumble on the Flyer 11-yard line, with Defense End Brian Wilson gathering in the loose ball, South found itself with excellent field position.

When three downs failed to produce the needed first down, the Warriors tried a field goal and Brian Brunson booted it through the uprights from the 19-yard line.

The Warriors recovered a second Flyer fumble but East St. Louis got its offense into gear in the second quarter and advanced all the way to the South one-yard line. The Granite City Lions staged an effective goal-line stand and gained possession.

South quickly was forced to punt and the Flyers got on the scoreboard with a flea ball as Kenneth Jones returned a kick from the Warrior 30 to the end zone.

Cecil Griffin kicked the extra point to make the score 7-3.

The next Flyer drive, mixing passes and running plays, brought the ball to the Warrior 29, from where Darnell Heavens ran for a touchdown. Griffin's kick made the score 14-3.

The story of the third period was Quarterback Maurice Tokson's accurate arm.

He threw touchdown passes plays of 20 yards to Kellen Winslow and then 13 and 12 yards to Eugene Byrd. Griffin kicked the three extra points, and the 21-point period gave East St. Louis a 35-3 lead.

Griffin's 15-yard TD run in the fourth quarter concluded the scoring. A point-after-touchdown kick failed.

He three touchdowns passed the Warrior grid roster this fall have included Quarterback Kirk Champion, Defensive Halfbacks Mark Greenwood and Dave Wilson, Halfbacks Terry Pirtle, Gary Cary, Paul Solberger and Paul Muhlisch, Guard and Cornerback Greg Terrell, Flanker Tom Schooley, Tackles Tom Shipley and Tom Boyd, Defensive Ends Brian Wilson and Dave Boone, Split End Mike Lansaw and Ends Leon Scroggins and Ray Smith.

News notes

The government will levy Social Security taxes on \$14,100 of each wage earner's income, up from \$13,200, effective Jan. 1. Workers and their employers each will have to pay up to \$2.64 more in 1975, a new total of \$24.85. Self-employed will be taxed an added \$71.10, for a total of \$113.90. The amount of outside earnings permitted will rise \$120 to \$2,570; earnings beyond that will result in a "legislative Social Security payments for every \$1 earned."

Campaigning in East Alton Thursday afternoon, U. S. Senator Adlai Stevenson III, Chicago Democrat, said there is no chance of a "legislative dictatorship" despite such warnings by President Gerald Ford.

President Ford said Friday night he does not plan to use "pump priming" federal spending to avoid worsening of the economic situation this winter.

With the number of children immunized against polio down to 40 percent from a high of 87 percent, there is increasing likelihood of a resumption of polio epidemics, it was noted yesterday.

Some vascular surgeons say the clamping of a vein in the left leg of former President Richard Nixon is an outdated method of controlling, life-threatening blood clots. They say the clamp should have gone on the major vein that returns blood from both legs to the heart. Mr. Nixon's condition became critical after last week's surgery, they say, because of the critical list yesterday.

5 hurt in two-car crash

A two-car accident at 2:13 a.m. Saturday, South of Highway 162 and State Aid 35 intersection, resulted in injury to both drivers and three passengers in one auto.

All were taken to St. Elizabeth Hospital.

Clyde Randall, 16, of 34 Victoria Drive, Pontoon Beach, driver of one vehicle, was admitted to the hospital in an unconscious condition after receiving treatment for a one-half inch cut to her forehead and cuts to her wrist.

Lenny W. Wright, 17, of 45 Steelecrest Lane, driver of the other auto, was admitted after receiving treatment for cuts to his head.

Two passengers in the Wright vehicle were admitted and one was treated and released.

Rites Sunday for Marion Stephens

Marion Stephens, 65, of St. Louis, a brother-in-law of Mr. and Mrs. Buster Goodman of Granite City, died at 3 p.m. Thursday at Jewish Hospital.

Other survivors include his wife, Mrs. Phyllis (Goodwin) Stephens and a daughter, Patricia, both of St. Louis.

Funeral services were conducted Sunday afternoon at a Harrisburg, Ill. funeral home. Burial was in Sunset Hill Cemetery, Harrisburg.

Jewelry stolen

Earl French, 1614 Clark Ave., reported that between 8:45 p.m. and 8:45 p.m. Saturday, while he was away, burglars entered his home after breaking a rear window and removed several valuable items.

Taken were two antique pocket watches; one silver ring; one lady's ring (opal and garnet) valued at \$100; a diamond ring valued at \$1,000; pure silver coins; a Master Charge card issued to Mary French; and \$40 to \$50 cash.

Midgets finish season unbeaten

The Granite City Little Rascals boys' Midget football team finished its season Sunday with a 42-point second-half rally to defeat the Belleville Knights 48-14 at Belleville.

Scoring for the 6-0 Midgets were: Tim Dudley, 2 TDs; Alan Schmidt, 2 TDs; Bobby Carr 1; Ron Langford 1; Pat Muhlisch 1; and Greg Luehman, 1.

The Junior Pee Wee squad lost a bid for third place in its division, losing here Sunday, 20-0 to Duplo.

The Pee Wee team lost 12-20 to Alton and finished the season with a 4-4 record. Midget Central lost 30-8 here Sunday to Scott Air Base.

Bloom High takes III. harrier title

Bloom of Chicago fought edged defending champion Elmhurst to win the state boys' cross-country championship Saturday at Park course.

Bloom carried early 92 points for the victory to 26 for Upre. Palatine Fremd with third with 106 and Proviso with 141.

Granite City High School's Dwayne Terry ran the course in 13 minutes 22 seconds to place 33rd.

"He hit a bad spot in the track and slowed down when another runner accidentally kicked him," noted Warrior Coach Dick Harmon.

Proviso West's Tom Marino took individual honors in 14:20.

Alton's Mike Sawyer provided the best finish for a Southern Illinois runner by placing 10th. Alton also finished 10th as a team.

Mrs. Romann dies at 74

Mrs. Mildred Carolyn (Droeg) Romann, 74, of Rural Route Two, Granite City, a lifelong resident, died at 12:18 a.m. Friday at Jewish Hospital, St. Louis, where she had been a patient.

A member of St. John United Church of Christ, Mrs. Romann had belonged to the Noon Day Opti-Mrs. Club.

She and her husband, Otto H. Romann, who survives, celebrated their wedding anniversary on June 27 this year.

Other survivors include two daughters, Mrs. Geo's (Audrey) Freas of Franklin, Ky., and Mrs. Edgar (Carol) Scherick of New York City, N.Y., and eight grandchildren.

Funeral services were held today. Details are given in the obituary column.

.64-inch rain over weekend

Rainfall measuring .64 of an inch fell in the Quad-City area during the weekend, twice as much rain as was recorded in the area during the entire last half of October, according to weather records at the Chain of Rocks Locks.

Rain gauges registered .06 of an inch of rain Sunday, followed by .58 of an inch for the 24-hour period ending at 8 a.m. today.

A total of only 1.34 inches precipitation was recorded for the month of October, with rainfall registered on only seven days of the month. The heaviest October rain was on Oct. 14 when .90 of an inch of precipitation was recorded. Oct. 13-.08; Oct. 14-.30; Oct. 15-.36; Oct. 26-.08; Oct. 29-.03 and Oct. 30-.04.

Cancel game at O'Fallon

Due to GCHS North qualifying for this week's Illinois state football playoffs, this Friday's scheduled contest at the O'Fallon Panthers, at O'Fallon, has been canceled.

The Steelers (8-1) will meet undefeated Peoria Central (9-0), at 2 p.m. Wednesday at Peoria.

A victory at Peoria would pit GCHS North against the winner of Wednesday's Normal Community (9-0)-Sterling (8-1) contest on Saturday at 8:15 p.m. or 7 p.m., upon agreement of the two coaches.

Dutchmen win

The soccer Dutchmen of Belleville Area College earned a 4-2 decision over Principia Junior College Saturday, boosting BAC's season record to 6-42 going into the Nov. 8 National Junior College Athletic Association regional competition at DuPage.

Scoring for BAC were: Dennis Jones of Granite City, an assist by Carmelino Equizabal; Assumption's Bill Keifer unassisted; Belleville West's Toby Verdu unassisted; Granite City's Bobby Galvan on an assist by Jones.

Shots on goal: BAC 24 and Principia nine. BAC goalie Larry Pelt of GCHS North was credited with two saves.

Three incidents of vandalism

Three separate incidents of vandalism were reported to police Thursday, Halloween night.

William Hill, 216 Benton St., reported at 4:16 p.m. the day that a splash guard was sawed off the side of his 1972 auto; Arthur Metcalf, 2118 Cluyga St., reported that, while returning home at 9:30 p.m., he discovered eggs and a black liquid had been thrown on his house and porch; Herbert, 2118 715 Twenty-Eighth Place, reported at 8 a.m. Friday that the windshield of his 1966 auto was broken out while his car was parked at his home overnight.

WRIGHT TOUCHDOWN

Freshman griders of GCHS North lost at home 12-6 Thursday to Belleville Althoff. The Crusaders scored twice in the fourth quarter. Steeler Quarterback Bruce Wright tallied for North on a 40-yard run.

Granite City polling places, by precinct are: Pct. 1—Quad-City Social Club, 1707 Madison Ave.; Pct. 2—Township Relief Office, 1808 State St.; Pct. 3—the Baran residence, 1212

Granite Ave.; Pct. 4—VFW Post 1300, 2044 Washington Ave.; Pct. 5—former American Legion Building, 24th and Madison; Pct. 6—beauty shop, 2100 Delmar; Pct. 7—Walter Whitaker residence, 2200 rear Delmar; Pct. 8—Lagan School, 2400 W. 25th St.; Pct. 9—Sykes residence, 2618 W. 22nd St.; Pct. 10—ARF Club, Niedringhaus and Maple; Pct. 11—Pashea Building,

2200 E. 24th St.; Pct. 12—Shaffer Building, 2442 E. 24th St.; Pct. 13—O. House, 2442 E. 24th St.; Pct. 14—Housing Authority office, Kirkpatrick Homes; Pct. 15—Church of Christ, 2882 Washington; Pct. 16—Schweitzer residence, 1107 E. 10th; Pct. 17—Granite City Park District, Benton and Oregon; Pct. 18—Marshall School, Marshall Avenue; Pct. 19—St. Margaret-Mary School, Leonard Avenue (Playground entrance); Pct. 20—Leo Kelly residence, 3205 Wayne Ave. (rear).

“Airport thinking that is based on a negative economic outlook for the St. Louis area can rob this region and its people of a strong future,” H. J. Haberaecker, executive director of Impact, said Friday. Impact stands for Illinois-Missouri Progressive Airport Creation Task force.

“Those who rejoice in the recent low forecasts of air travel here should stop and take another look. Both of the two recent projections are based on a continued decline of the St. Louis area as compared with the rest of the nation,” he commented.

“An indication of the potential growth of aviation is seen in the high projection of future aircraft operations by the Ralph M. Parsons Co. in its current master-plan study for Lambert-St. Louis International Airport.”

“Clearly, if St. Louis is to be in a position to take advantage of growth already predicted—as well as to gain the growth that can come through its geographic position—work must move forward promptly and vigorously not only to improve Lambert Field but also to develop a new major airport at Columbia-Waterloo, Ill.”

“Only by taking this two-fold action can this area compete with other metropolitan centers for future aviation growth and for the enormous related economic gains that come with superior airport facilities.”

“The report recommended that the area concentrate on encouraging industries with the most promising prospects to locate here,” it was noted.

“Improved transportation facilities were also recommended by Murray L. Weidenbaum, Washington University professor of economics, in a study of the region's problems and potentials for First National Bank in St. Louis.

“In speech after speech to galvanize the region to take action, St. Louis County Supervisor Lawrence K. Roos emphasizes the importance of making the region a leader in transportation through major

port, rail, transit and airport improvements. Mr. Roos is the current chairman of the East-West Gateway Coordinating Council.

“Transportation has been termed perhaps the most essential key to turning the region's economy around.”

Yule shopping program

First Granite City National Bank will sponsor a "Try Granite City First" program, the purpose of which is to encourage local residents to do their Christmas shopping in town. P. H. Lichtenberger, chairman, announced today.

The indirect value of keeping dollars in the Granite City economy, providing more jobs, and encouraging growth and development of new stores and shopping areas.

"We're not telling people to shop only in Granite City," Lichtenberger continued. "We're simply encouraging everyone to 'Try Granite City First,' because in all probability it can be found right here."

"We think shopping at home is important," Lichtenberger said. "Granite City stores are carrying more and better merchandise than ever before. Today, practically any item that can be purchased in larger cities can be found right here in Granite City."

Two men join Madison Rotary

Father Sylvester Micek of St. Mary's Church and Chester McManaway were inducted into the Madison Rotary Club by Frank Fijan at the club's Wednesday noon meeting in the Madison Recreation Center, Seventh and Lee streets.

The club held a general business meeting with President John Blasigame presiding.

Rotarian Wade James, community service chairman, said his committee still is trying to secure a medical doctor and a dentist to practice in Madison.

Jerry Maeras suggested the club give serious consideration to participation in the 500 per cent Rotary Club Foundation Scholarship program.

Membership Chairman Ray Edwards reported that the club now has 40 members and a goal of 50 members for the 30th anniversary by March 25, 1974 may be reached.

President Blasigame announced that Harry Thebaud will serve as program chairman and William Clinton will serve as public relations chairman.

Wayne Scannell announced the club will hold a public dance on Friday Nov. 22 in the Crofton Hall.

Three kindergarten children from the Madison schools, Bradley Papa, Yolanda French and Heather Sellers,

'Make Believe' theme for pack

Cub Scouts performed skits relating to the theme "Land of Make Believe" at the October meeting of Cub Pack 22 at Parkview School.

Den 2, led by Mrs. Judy Novich and Mrs. Marsha Kujawa, presented a playlet, "Paul Bunyon and Five Peaceful Indians," and Mrs. Harriet Lovins and Mrs. Karen Meng directed Den 3 cubs in portraying Davy Crockett, John Henry, Johnny Appleseed, Evel Knievel and John Glenn.

Under the leadership of Mrs. Erma Rash and Mrs. Becky Welborn, Den 4 enacted stories of Davy Crockett, Johnny Appleseed, Paul Bunyon, Columbus, Chief Sitting Bull, Lucy, Charlie Brown and Snoopy.

Awards were presented by Gary Welborn and Pat Gunter to Greg Smith, Dirk Sykes, Steven Meng, Donald Brown, David Kujawa, Bruce Hopke, Mike Novich, John Abrams, Jeff Atkins, Greg Levin, Randy

Robinson, Chris Rose, Brian Levin and Joe Marlette. Webelos cubs went to Mike Carnahan, Dale Wetherholt, Keith McFee, Shawn Allen, Donald Brown, Marvin Meng, Bob LaRue and David Pashadag. Webelos athlete award to Lee Ginter, Mike Lovins, Bob LaRue, Marvin Meng, Donald Brown, Kevin McFee, Paul Miller, Wetherholt, Frank Bellipanni and Mike Carnahan.

Adult leaders receiving awards were Mrs. Lovins, four-year pin; Mrs. Dolores Rose, three-year pin; Mrs. Rash, Mrs. Welborn and Harley Carnahan, one-year pins; Donald Brown, Webelos leader's patch; and Mrs. Vicki Rea, Mrs. Novich and Mrs. Kujawa, den leader patches and pins.

MR. AND MRS. CHARLES ROLAND, whose wedding was solemnized at the Church of God, Orville Avenue and Vine Boulevard. She is the former Miss Karen Nelson, a daughter of Mrs. Vina Nelson of Edwardsville and the late Elmer Nelson.

Miss Karen Nelson and Charles Roland are wed

Miss Karen Nelson and Charles Roland of Alexandria, Va., exchanged wedding vows in an evening ceremony on Oct. 25 at the Church of God, Orville Avenue and Vine Boulevard.

The double ring ceremony was performed at 7 o'clock by the Rev. O. J. Cloninger before an altar illuminated with blue tapers in branched candelabra and framed with a white filigreed arch entwined with greenery.

Miss Donna Hindman presided at the organ and sang "We've Only Just Begun," and "For All We Know." The bride is a daughter of Mrs. Vina Nelson, Greenboro Mobile Home Park, Edwardsville, and the late Elmer L. Nelson. Parents of the groom, Mr. and Mrs. Tony Roland, reside at 655 Arthur St., Poplar Bluff, Mo.

Escorted down the aisle and given in marriage by her uncle, Basil Withers, the bride wore a Chantilly lace and organza gown. Her cathedral length veil was bordered with scalloped lace and secured to a lace camelot headpiece.

Full bishop sleeves tightly cuffed with lace were set into the fitted bodice. Lace scalloped traced the high neckline and defined the sheer oval yoke. The

semi-full skirt and attached chapel train were enhanced with wide lace panels.

Purple velvet streamers festooned the plateau basket of white carnations, red roses and purple statice carried by the bride.

Miss Linda Nelson, a sister of the bride, served as maid of honor. She chose a long dress of lavender crepe with long puff sleeves and a high roll collar worn with a deep purple velvet vest.

Miss Ellen Oxadler selected a yellow dress with a brown velvet vest and Miss Kathy Monroe appeared in a aqua gown with deep blue velvet vest. All the attendants wore picture hats in shades to match their attire and held plateau baskets filled with carnations, pom poms, statice and baby breath in lavender, yellow and blue hues.

The groom chose his brother, Robert Roland, as best man. Don Cryder and Gary Crites served as groomsmen and the ushers were John Thomas and Jerry Withers.

Guests were received by the newly married Mr. and Mrs. Roland at a reception given in the church fellowship hall. The former Miss Nelson, a 1972 graduate of Granite City High School, previously worked in the auditing office at Famous Barr Co., St. Louis.

Mr. Roland was graduated in 1969 from Grover Cleveland High School, St. Louis. He is now employed at the Pentagon, Washington, D.C.

After a wedding trip, the newlyweds will reside in Alexandria, Va.

Cubs study fire prevention

Cub Pack 8, sponsored by the First United Presbyterian Church, held its monthly Pack meeting last week at the church with Warren Nash, cubmaster, in charge.

The meeting opened with the flag ceremony led by Den 3 Cub Scouts Tim Mathis, David Andrews, Chris Presson, Eric Gunderson, Clifton Gasset, and Andrew Causey. Mrs. Joy Causey is the den leader.

During a grand march, Charles Buford, Webelos leader from Mitchell School Pack 141, and Andy Angeloff, Judged Kevin Thompson and Tim Mathis as the best-dressed boys and Cindy Clements and Wanda Hand as the best-dressed girls. Adults winning were Irene Martin, Linda Mathis and John Misturak.

Den 2 under the leadership of Pat Foote performed a skit entitled "Phantom in the Fire House." Actors were John Dresheria, Charles Pickens, Lacy Wayne, Scott Foote,

Mark Vanyo, Darin Clements, Kevin Thompson, Larry Richey, Ricky Stephens, Tim Mizell and Michael Hand.

Lacy Wayne, Scott Foote, Larry Richey, and Richard Stephens demonstrated the "Hypnotic Lift," with Mrs. Jean Ares assisting.

Den 1 led by Mrs. Judy Miller participated in a skit entitled "The Haunted Old House." Mrs. Gabe Misturak narrated while Timothy Pabst, Larry Ares, Keith Gordan, Eric Lindsey, Jamie Cormier, Chris Nash, John Misturak, David Wiser, Ronald Miller, Donald Miller and David Noble provided the sound effects. Assisting was Mrs. Audrey Cormier.

The month of October is Fire Prevention month and in keeping with this theme Nash conducted a fire prevention quiz.

During a candlelight ceremony, the following awards, were presented: Bobcat patches to Michael

Hand, Darin Clements, Richard Stephens, Larry Richey, Kevin Thompson, Tim Mizell, Timothy Pabst, Eric Lindsey, Larry Ayers, David Wiser, Keith Gordan; Wolf badges and gold arrow points to Scott Foote and John Dresheria; a silver arrow to Scott Foote; Bear badge to David Noble; Bear books to Foote and Dresheria.

Chris Nash, a silver arrow under the Wolf rank; Ronald and Donald Miller, silver arrows under the Bear badge; John Misturak, David Wiser

(Press-Record Photo)

Halt delivery of unpaid mail

Postmaster General E. T. Klassen has announced that the Postal Service intends to discontinue delivery of unpaid mail.

The new policy is seen as benefiting the general mailing public now paying for their postal service.

"It is unfair," Klassen pointed out, "to burden the vast majority of mailers with costs created by the few who mail without prepayment of postage."

The postmaster general said postage due delivery also has caused severe financial loss for utility companies, banks, and department stores as well as other business establishments whose volume of unpaid mail has been increasing.

Postal Service officials estimate annual postage due losses to recipients of unpaid mail and the additional losses to the service run in the million dollar range.

As of Sunday, Nov. 17, all unpaid mail — mail without any postage — will be returned to the sender. Previously, unpaid mail was generally delivered postage due.

Mail matter of any class, received at either the office of mailing or the office of the addressee without any postage on it, will be endorsed: "returned for postage." No attempt will be made to collect postage due.

If the envelope does not contain a return address, it will be sent to the dead letter office for appropriate handling.

The Postal Service said the new regulation does not affect business reply mail, federal government and free mail delivery to the blind, armed forces mail, or keys and identification devices returned to owners.

According to postal regulations, which have the full

force of laws, prepaid postage is required on mail matter. In addition, under the Federal Criminal Code, any person who willfully deposits unpaid mail in a mailbox or collection facility with intent to avoid prepayment of postage can be prosecuted and is subject to a fine of as much as \$300.

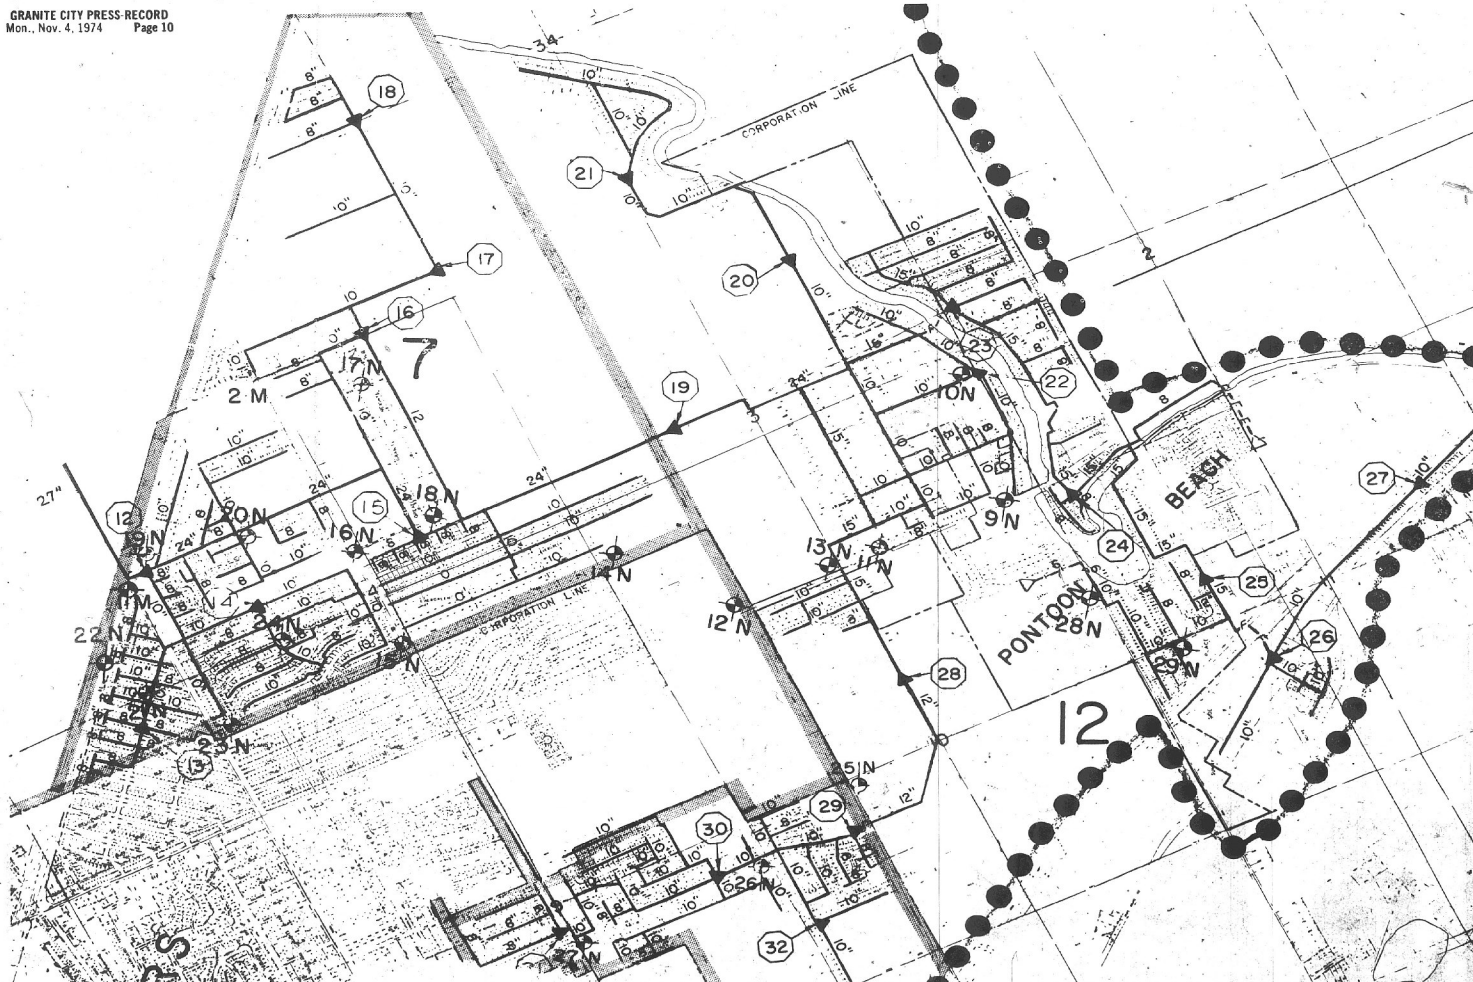

The Postmaster General made the announcement before more than 3,000 business and government leaders in Washington attending National Postal Forum VIII, an annual event to discuss methods of improving mail service and postal efficiency.

GRILLED LIVER DINNER
EVERY DAY AT GRANT'S
—\$1.35—

GRANITE CITY PRESS RECORD
Mon., Nov. 4, 1974 Page 10

FOUR TOWNSHIP SEWER PLAN for the Pontoon Beach, Gorge Addition and Miracle Manor areas as shown on plans from the Sheppard, Morgan and Schwaab consulting and engineering firm, planner of the project. Route 203 is the wide gray line along the left side of the plans. Pontoon Road begins just above

the bottom left corner and runs east through the center of Pontoon Beach. The heavy black lines are proposed sewers with size designations in inches (8", 10", 24", etc.) indicating the diameter of the sanitary sewers. Pontoon Beach is on the right, Miracle Manor is at the center left and the Garby Addition is at the bottom center.

The incorporated area of Granite City already having sewers extends from the bottom left to the center of the plan. Sewage from this area is to run to the 27-inch sewer at the far left center of the drawing and then will be carried in a 36-inch sewer to the Granite City Sewage

Treatment Plant. Plans also call for new sewers in the Mitchell area connecting to this system. A separate system will serve the East Madison, Eagle Park, Cloverleaf and State Park areas. The large black dots indicate the eastern boundary of the entire project.

Grand officers visit Bethel 43

Mrs. Norma Mohler, Illinois grand guardian, International Order of Job's Daughters, accompanied by other state officers, made an official visit last week to a meeting of Bethel 43 at the Masonic Temple.

Grand officers attending the business session and an initiation ceremony for new Bethel members were Mrs. Lucille Stehman, guardian of Bethel 42, Collinsville, grand librarian; Mrs. Anna Green, guardian of Bethel 95, Alton, grand chaplain; Mrs. Betty Schmidt, guardian of Bethel 72, Edwardsville, grand second messenger.

New members initiated were Kit Wamsley, Venus Derr, Kay Ghan, Rhonda Mikulas, Barbara Mullenbeck, Carol Ozanich, Cheryl Cuvier, Pat Skinner, Lori McDaniel, Jan Easley, Beverly Lamsay and Karen Burke.

After the ceremony each girl introduced her parents. Kathleen Lane, honored guest, presided at the business session.

Those escorted and introduced were honored guests, Cheryl Roenthal, Bethel 72, Edwardsville; Tacia Laabe, Bethel 67, O'Fallon; past honored guests, Theresa Floyd, Bethel 88, Wood River; Mrs. Luann Bedine, Bethel 42, Collinsville; Becky Graham, Charlotte Rapp, Miriam Ozanich, Kristie Christich, promoter of youth relations and Eleanor Todoroff, director of music, all of the host chapter.

Guests of honor for the evening were Mrs. Mohler, Mrs. Betty Burke, grand representative to Kentucky and Marshall of Bethel 42, Miss Robin LaSurs, Job's Daughters Miss Illinois and past honored queen of Bethel 42, Collinsville, and Joy Pope, grand Bethel musician and past honored queen of Bethel 43.

Princesses introduced were Lisa Sabolo and Kathy Harte, Edwardsville; Karen Schmale, O'Fallon; Faith Cozlar, Collinsville; Jeri Green, Alton, and Julie Hubbard, Wood River.

Also presented were Mrs. Rebecca Slate, Bethel 43 guardian; Dr. Anor Rode, associate guardian; Russell Green, associate guardian of Alton Bethel; Mrs. Betty

McClintock, worthy matron of Granite Chapter 650, Order of Eastern Star.

Preceding the meeting, a 6 o'clock buffet supper was served in the dining room. Table decorations reflected the grand guardians' theme, "Silver bells and yellow roses."

Mrs. Mohler was presented with a gift from the Bethel, an honorary certificate of membership and a \$100 check for the "Bonds for Braces" program.

Ports reflect strong European influence, Travelers club told

A cruise to six Caribbean and four Brazilian ports on the Swedish liner Kungsholm was the subject of an illustrated lecture given Monday evening by Mr. and Mrs. Alfred C. Steever at a meeting of Travelers Abroad.

The group met at Logan School with Roy Lynn, president, in charge. Mrs. Arline Brinkmeyer was welcomed as a new member and guests for the evening were Mesdames Viola Edwards, Irene de Fries and Viola Hulise.

In addition to a photographic display of colorful native costumes and dances, beach areas and exotic flowers, the Steevers' presentation included a comprehensive research into the permanent imprint left on the countries they visited by six European powers which colonized the region centuries ago.

Curacao and Trinidad, islands off the coast of Venezuela, are typical of the early colonization influences, the Steevers said.

The former with its gabled, red-tiled roofs and narrow buildings resembles Amsterdam. It contains a Protestant church founded in 1760 and a Jewish synagogue which dates back to 1732.

Trinidad, which the British seized from Spain in 1797, has English as its official language, although Spanish is still spoken in some areas. Soon after the British had emancipated the Negro slaves, they needed more unskilled laborers and imported a vast number of people from

About 125 people attended the meeting and a reception honoring the grand guardian and her guests.

Assisting during the evening were Charlie Scarborough, Bob and Mary Wolford, Donna Woodard, Wanda Kincaid, Gladys Potillo, Aileen Graham, Ruth Houser, Dorothy Brokaw and Mr. and Mrs. Ed (Shirley) Lane, parents of the honored queen.

India. Thus, today Moslem mosques, Hindu temples and bazaars are found here, the Steevers explained.

Martinique and Barbados, only 100 miles apart, have quite different cultures. The former has been French since 1635 and in the annals of France it is known as the birthplace of the Empress Josephine. In Barbados the black natives speak English with a crisp British accent.

The Dominican Republic is Spanish to the core, the couple said. Columbus landed there on his first voyage to the new world and it is said to be buried there. The late dictator Trujillo is survived by some stately government buildings erected at his command, they noted.

St. Thomas, on the other hand, is English, the headquarters of Sir Thomas Drake. Its harbor is the crater of an extinct volcano.

In Santos, Brazil, the largest coffee port in the world with nine miles of piers, the Portuguese influence is vividly marked in the architecture and colored sidewalks. The latter appear to undulate, although they are perfectly flat, the Steevers said.

Salvador, Belem and Rio de Janeiro with their splendid buildings and booming commerce are typical of the former of their mother, country Portugal, the couple commented.

The club will combine its next meeting with a Christmas party on Dec. 8 at Charlie's Restaurant, it was announced.

MR. AND MRS. EDWARD WILFONG, who were married in an evening ceremony at Trinity Lutheran Church in Worden, Ill. The bride is the former Miss Dara Lynn Schneider, a daughter of Mr. and Mrs. Daniel Charles Schneider of Worden.

Dara Schneider marries Edward Darrell Wilfong

An out-of-town wedding of interest here was that of Miss Dara Lynn Schneider and Edward Darrell Wilfong, taking place Sept. 28 at Trinity Lutheran Church in Worden, Ill.

Parents of the bride are Mr. and Mrs. Daniel Charles Schneider, Rural Route 1, Worden. The groom is a son of Mr. and Mrs. James Norman Wilfong, 4700 Lake Drive.

Violent selections were played, including "Turn Around," "Wedding Song" and The Lord's Prayer.

The Rev. John Beck performed the double ring ceremony at 6 p.m. before an altar decorated with blue and white pom poms.

For her wedding, the bride chose an organza gown fashioned with a sheer oval yoke, a high neckline edged with sequined Chantilly lace and full bishop sleeves.

Nuptial selections were played, including "Turn Around," "Wedding Song" and The Lord's Prayer.

Halloween party at Sherman home

Mrs. Nancy Barnes hosted a Halloween party last week for her daughters, Leah, and friends, at the home of the honoree's grandparents, Mr. and Mrs. John Sherman, 3152 Aubrey Ave.

Ghosts, goblins and pumpkins decorated the rattlesnake for the seasonal event.

Winning the "best costume" award was Angie Naglich. Prizes in the games period were won by Ann Early, Robbie Curtis, Jackie Linhart and Vicky McMillan.

Also present were Chris Ackerman, Scott Moore, Kelly McMillan, Ricky Barnes, Ronnie Voegel, Kathy Naglich, Mrs. Jennifer Moore, Mrs. Emma Elmore and Mrs. Evelyn Thompson.

Sabo-Lippincott betrothal

Announcement is being made of the engagement and plans for the January wedding of Miss Sherrill Lippincott, 611 Pearl St., Alton, and John F. Sabo Jr. of Granite City.

Miss Lippincott is the daughter of the late Mr. and Mrs. Charles (Maxine) Lippincott.

A graduate of Alton High School and Lewis and Clark Community College, the bride-elect is now employed as a dial clerk by Illinois Bell Telephone Co. She is a member of the Illinois Bell Volunteer Corps.

Her fiancé is the son of Mr. and Mrs. John Sabo Sr., 2353 Emerit St. He attended Granite City High School and Southern Illinois University at Edwardsville.

The prospective groom is employed as an apprentice electrician at Granite City Steel and is a member of the Buellmaster's Scuba Diving Club.

Plans are being completed by the engaged couple for a wedding on Jan. 25 at the First Christian Church in Alton.

ENGAGED. Miss Sherrill Lippincott, whose engagement to John F. Sabo Jr. is being announced, she is a daughter of the late Mr. and Mrs. Charles Lippincott. A Jan. 25 wedding is planned.

Kathy Evans is betrothed

Plans for an April wedding were disclosed with an announcement of the engagement of Miss Kathy Dianne Evans and Richard Gene Van Scoyk by her mother, Mrs. Olea D. Evans, 3801 Lake Drive.

Miss Evans, also a daughter of Bennie A. Evans, 2339 Glenway Drive, Maryland Heights, Mo., is a senior student at Granite City High School North from where she will graduate in January.

The bride-to-be is active in the Advanced Mixed Chorus, Madrigals and Silver Spirit Pep Club at the school. She also is a part-time employee at K-Mart in Granite City.

Her fiancé is a son of Mr. and Mrs. Edward Van Scoyk, 4248 Lake Drive. A Granite City High School South graduate, he is now employed at American Sheet and Strip Co.

An April 5 wedding at Shepley Church of Christ, Riverview Gardens, Mo., is being planned by the betrothed couple.

Costume party at Amvet post

Make-believe witches, spiders and flying bats were suspended from the ceiling at Amvet Post 51 for a Halloween party Thursday evening attended by 40 Amvets auxiliary members and their families.

A huge jack-o-lantern greeted arriving guests at the doorway and the "spook" theme was carried out in the wall decorations. Tables were centered with pumpkin arrangements.

Most of the guests wore masquerade costumes and prizes were awarded for "outstanding" creations to Betty Wilkins and Charlene Sanders. Additional awards were given to the winners of games.

An "old-fashioned" wiener and marshmallow roast was held on the Post 51 grounds, 5100 Lakeview Drive.

FORMER RESIDENT IN AFB HOSPITAL

Miss Twila Townsend, a granddaughter of Mr. and Mrs. Buster Goodwin of Granite City, was admitted to the Maxwell Air Force Base Hospital at Montgomery, Ala., on Friday for tests.

She is a daughter of Chaplain and Mrs. James Townsend, former residents of Granite City.

TO MARRY. Miss Kathy Dianne Evans, the fiancée of Richard Gene Van Scoyk. Their engagement and plans for an April 5 wedding are being announced by her mother, Mrs. Olea D. Evans, 3801 Lake Drive. She also is the daughter of Bennie A. Evans, Maryland Heights, Mo.

Garris-Dukes nuptials

Miss Darlene Dukes and Donald Garris were united in marriage on Oct. 26 at an East St. Louis church. The Rev. Garfield Hubbard officiated at the afternoon ceremony.

Parents of the bride are Mr. and Mrs. Malcolm Wallace, 1229

Edwardsville Road. The groom is a son of Mrs. Emma Garris, 1741 Poplar St.

Attending the couple were Mr. and Mrs. Gerald (Louise) Bousard.

The newlyweds were now residing in Granite City.

'Final Hour' film at Bethel Church

"The Final Hour," a new color sound film, will be shown at 7:30 p.m. Wednesday at the Bethel Evangelical Free Church, 2430 Stratford Lane, according to the pastor, the Rev. Robert Widlin.

The Rev. Widlin said the movie produced by the Evangelical Christian Research Foundation, focuses on the theory that the human race is on a collision course with its "day of reckoning."

The film crews traveled 24,000 miles and visited 12 cultures, ranging from jungle tribes to man's most modern centers, to film conditions in the "failing world," the pastor said.

Sherry Graham is engaged

Former Granite City residents, Mr. and Mrs. Kenneth Graham, 3001 Winkergreen Drive, Florissant, Mo., are announcing the engagement of their daughter, Miss Sherry Graham, to Richard T. Meyers, son of Mr. and Mrs. Daniel Meyers, 8551 January Lane, Berkeley, Mo.

A graduate of Granite City High School, Miss Graham attended William Wood College, Fulton, Mo., where she majored in sociology.

The bride-elect pledged Alpha Chi Omega Sorority and was named a "little sister" for Kappa Alpha House Fraternity at Westminster College. She is now employed by the Sheraton Hotel Reservation Corp., St. Louis.

Her fiancé was graduated from Berkeley High School and received his B.A. and M.F.A. degrees from Southern Illinois University at Edwardsville. Presently, he is employed as an instructor in the arts department at Jefferson Community College, Hillsboro, Mo.

The engaged couple is planning to be married on Jan. 11.

Brian Taylor, 5, is party honoree

"Winnie-the-Pooh" was the theme of a party honoring Brian Taylor on his fifth birthday given last week by his parents, Mr. and Mrs. Leroy Taylor, 1712 Princeton Ave.

The refreshment table was decorated with balloons and a "Winnie-the-Pooh" cake. Games were played outdoors and the youthful guests received favors, balloons and "Pooh" favors.

Among those present were Kim Ebersold, Tiffany Pryor, Kristy Ebersold, Ann Marie Mitchell, Randy Chapman, Tony Merz, Donnie Merz, Sharon Lane, Michael Lane, Robbie Becker and Richard Taylor, the honoree's brother.

Series to teach furniture renewal

The first session in a three-part series of programs dealing with furniture refinishing will be presented at 7 p.m. Wednesday at the Nameoki Recreation Center, Amos and Franklin avenues.

Participation is free, but those wishing to attend are being asked to call the Wilson Park office, at 877-3059, to register.

Presenting the initial two-hour program will be Richard Hordshire, who spent 18 years in the furniture business before entering the retail paint field. He will review many areas of furniture refinishing, including preparation and antiquing.

BRIDE-ELECT. Miss Karen Sue Owen, whose parents, Mr. and Mrs. Glen Owen, 823 Grand Ave., Madison, are announcing her engagement to Paul Liszewski, a son of Mr. and Mrs. Joseph Liszewski, 1907 Rhodes St. A May 31 wedding is being planned.

Hollis-Davis engagement

The engagement and forthcoming marriage of Miss Diane Davis and Michael Hollis are being announced by the bride-elect's mother, Mrs. Yvonne Davis, 1911 Sixth St., Madison.

Miss Davis, a 1974 graduate of Madison High School, presently is employed by the Madison

Board of Education. The prospective groom is a son of Mr. and Mrs. Wayne Hollis, 2625 Logan St. He was graduated from Granite City High School South this year and works at the Harvard Manufacturing Co., St. Louis. Plans are being completed for a March wedding.

MISS DIANE DAVIS. whose engagement to Michael Hollis is being announced by her mother, Mrs. Yvonne Davis, 1911 Sixth St., Madison. A March wedding is planned.

Cubs in 'make believe' program

Nameoki School PTA Cub Pack 46 met at Nameoki School last week. Mrs. Evelyn Myint's Den One opened the meeting with the presentation of colors and the pledge to the flag.

In a "Trip through the Land of Make Believe," Den One members told a story of hunters frightened by Frankenstein and The Vampire. Mrs. Margaret Kalmeyer's Den Two gave a drum corps rendition of "Yankee Doodle." Den Three, under the leadership of Don Scholebo, told of "F Troop" and its defense of the fort from Indians. Guided by Mrs. Barbara Coleman, Den Four told the story of Captain Nemo and the Submarine Nautilus. Mrs. Yvonne Foley's Den Five members presented a happy orchestra, playing and singing their own composition.

The new Den Six was introduced. Their leader, Thomas Epperson, was presented with his den leader badge and the new Cub, Steven Crow, Jeffrey Epperson, Sean Dyer and Mark Allen were awarded their Bobcat badges by their parents in a candlelight ceremony led by Cubmaster Bernard Miller Jr.

Additional new Cubs, who were presented their Bobcat badges were Matthew Becker, Jackie Pettey, Stacey Marshall, Daron Boyd, David Evans, Jay Smith and Darin Partney. Kevin Meadows of Den Three reviewed his Wolf badge and Donnie Scholebo received a silver arrow-point for his Wolf badge.

A round up recruiter patch was presented to Donnie Scholebo in recognition of their participation in this summer's

programs by Pack 46, individual summertime awards were presented to Andrew Wynn of Den One, John Morris, Ray Takmajian, Don Kalmeyer, Ken Rapp and Rick Branding of Den Two, Randy Coleman, Bobby Fetter and Jackie Fetter of Den Four, Mark Foley, John McDowell, Richard Stubbish and Richard Williams of Den Five and Chip Fetter, Brad Wertheis, Caleb Miller and Ronnie Coleman of the Webelos Den.

The Cubby Award for best attendance was won by Mrs. Yvonne Foley's Den Five and Thomas Epperson's Den Six. Ray Wertheis, Webelos leader, presented naturalist and forestry awards to Webelos Chip Fetter, Brad Wertheis, Ronnie Coleman and Caleb Miller.

Following the award ceremonies, Cubmaster Miller announced that the pack again would be selling popcorn for the council the first week in November. Each Cub will have a case of popcorn to sell at \$1.25 per box with the proceeds going to the Cahokia Mound Council and to the Cub pack. It also was announced that the theme of next month's meeting will be Pilgrims, and the Den Four would serve refreshments. Following a closing ceremony by the Webelos which was based on a recitation of the scout law, the parents of Mrs. Yvonne Foley's Den Five served refreshments.

Endorsements for tomorrow's 1974 general election

Following is a recapitulation of Tuesday, Nov. 5, election recommendations voiced earlier by the Press-Record (and nine that are referred to in today's editorial):

United States Senator—Adlai E. Stevenson (Democrat).

State treasurer—Alan J. Dineen (D).

Trustees of the University of Illinois—Nina T. Shepherd (D), Robert L. Lenz (D) and Gardner W. Heidrick (Republican).

Representative in Congress—Melvin Price (D).

Representatives in the General Assembly—Horace L. Calvo (D), Robert J. Walters (R) and Everett G. Steele (R).

Madison County clerk—Evelyn M. Bowles (D).

County treasurer—George Musso (D).

Sherriff—Robert J. Urban (R).

Superintendent of Educational Service Region—Harold E. "Gene" Briggs (D).

County Board District 16—Walter "Dick" Sparks (D).

County Board District 19—William B. Webb Jr. (D).

County Board District 20—Nelson Hagmann (D).

County Board District 21—Daniel Partney (D).

County Board District 26—Louis Whitfield (D).

Judges of Appellate Court—John M. Karris Jr. (D) and Charles E. Jones (D).

Judges of Circuit Court—Moses W. Harrison II (D), Victor J. Moselle (D) and John

Retain Judge Beatty; elect Jones to appellate post

William L. Beatty of Granite City and Charles E. Jones of McLeansboro are judges who candidates who require special attention by voters.

Also recommended are four other court candidates who face no hurdles whatever in the balloting. They are John M. Karris Jr. of Belleville, Democrat, unopposed for a Fifth Judicial District appellate judge position, and Democrats John Glickoff of Clinton, Moses W. Harrison II of Collinsville and Victor J. Moselle of Alton, all without

Competent nominees for clerk and school positions

Our recommendations for Madison County elective offices include two primary voters, Miss Evelyn M. Bowles, Edwardsville Democrat, now unopposed for election as county clerk, and Harold E. "Gene" Briggs, Namekoti Township Democrat, who is

Venice school dilemma won't go away by ignoring it

A Venice public school teacher was honored as top "Illinois state teacher of year" nominee from Madison County this fall. The district has a knowledgeable new superintendent, Robert N. Vickers, and many other able and dedicated staff members.

Yet, voters on Oct. 26 rejected for the fourth time a proposed upward revision of Venice schools' education fund tax rate ceiling.

Musso boosted investments reluctantly

Alton Telegraph—"There is a tendency now to credit County Treasurer George Musso for tremendous interest earnings for the county on his deposits and other funds available for investment."

Doubtless Musso and his advisors have been making the investments. Probably their judgment in placing the money in the most rewarding spots was praiseworthy, too.

No one has a fairpoint way to invest money these days.

It should be pointed out at this juncture, however, that the county treasurer, in the last 10

Urban has professional qualifications

Collinsville Herald—"Endorsing candidates in Madison-St. Clair County this year is to a considerable extent an endorsement of the county's future."

In fact, since a Democratic sweep seems indicated.

Watergate and the economy combined give Democrats a running jump, if their denigration of almost all the state administration were not also a potent plus.

In Madison County, the incumbent Democrat is John Maeras, against Bob Urban who came to this area from command work in the Santa Barbara county sheriff's department.

Urban sounds almost too good to be true.

He claims he would put more on patrol, in the right places, getting more command efficiency from fewer people and in particular drastically reducing the number performing the non-protective function of serving papers.

He promises to demand a lot of his employees; a couple of men under his command in Santa Barbara were upset enough about his stern attitude to try to get him in trouble with the department at the time he resigned there.

He faces an almost impossible recognition problem: he hasn't been here long.

Maeras is almost sure to be re-elected; he has the lifelong Democratic vote and been a top man in the organization for years.

As to his credit it must be conceded that the department is infinitely better than it was 20 years ago, when it was totally a patronage empire.

Today it is being taken by people on a merit system, people who have taken law enforcement instruction for the potential of the position and not extra pay they can earn for

The FORUM

New district could be more efficient

To the Editor:

I would like to write a letter to the editor but I find it difficult to do so at this time.

Each year (Nov. 5) is just another day in the life of nothing being printed in about Illinois newspapers about the opportunity to change the East Side Levee District have for ridding themselves of this scandalous governmental agency.

For years the District has been a major drawback to our area, leading many to retain the "east side" stigma of the district.

They have collected many millions in taxpayer dollars and wasted them on payrolls who, in many instances, made no attempt to produce any service.

For years the Convention and School District for the past ten years, I have worked with Joe E. Lucco, who has been an outstanding teacher, coach and administrator.

He has always tried to instill in the students the high qualities of honesty and fair play.

During the past year, I have been fortunate to be personally acquainted with Joe E. Lucco, to be with him on the campaign trail.

I can truthfully say that Joe Lucco's main concern is for all the people of the sixth District. His willingness to help people is unselfish, and I admire him for it.

Now comes Nov. 5, and with it an opportunity to vote on the present system and replace it with an organization which will hopefully be more responsive to the people and more efficient in a business-like manner, and stop bleeding the gear taxpayers of his hard-earned dollars.

This opportunity came about through a bill sponsored by myself and Senator Sam Valdebenito. With the help of all the other legislators, it was signed into law by Governor Walker earlier this year.

I suggest that all get behind the drive to eliminate the Levee Board or give reasons why the present Levee Board should be allowed to continue in power one day longer than is necessary.

There are only two choices. I hope the people will support the proper choice.

MONROE L. FLANN

Governor improved civic center law

To the Editor:

I am writing on behalf of Governor Lucco's "no" vote on the Constitutional Blue Ballot amendment Nov. 5.

A "no" vote is needed to preserve the governor's power to protect the people by eliminating special interest provisions which get slipped into basically good bills.

A "no" vote is needed to preserve the governor's power to protect the people by eliminating special interest provisions which get slipped into basically good bills.

Four years ago, after thoughtful deliberation, the delegates to the Constitutional Convention established a procedure known as the "amendatory veto" power to correct technical errors—"Yes."

Under this procedure, the governor can propose changes in a bill after it passes the legislature. If the governor proposes a change, the bill goes back to the legislature, which has the right to accept or reject the proposed change.

In 100 percent of the cases, the legislature has approved the changes that Governor Ogilvie and Governor Walker have recommended.

So, it has been a useful procedure. It is a way of achieving compromise, of eliminating loopholes and correcting errors made in the haste of the session. It has resulted in better legislation.

For example, Gov. Walker used this power to insert a funding mechanism into the bill passed to provide state support for civic center auditoriums in Madison-St. Clair Counties and other Downstate cities.

Without that additional provision, the bill would have been a dead letter. The procedure has also been used to tighten up the state purchasing act, to strengthen a board of governing affairs, to remove election law loopholes and to provide for orderly conduct of the constitutional Blue Ballot proposal on Nov. 5.

WILLIAM I. GOLDBERG
Council for Gov. Daniel Walker

Mrs. Hawkins able and works hard

To the Editor:

One of them is her record of producing results in the problem of Debris Slough. Three years ago, when the slough was in a state of neglect, she was the one who took the lead in getting it cleaned up.

As a result, we have some debris in the slough, but the slough is now a beautiful body of water.

She has shown her ability in dealing with problems in other areas through her experiences as health officer. She has an expert knowledge of the drainage problems and the coming sewer program and will work to solve them.

She has been a dedicated worker in school and civic clubs and can work with other officials in harmony to get the work done.

As a housewife, Helen Hawkins is aware of the problems of inflation and our tax burden. She will listen to the people and work with them. We favor a vote for Helen Hawkins for County Board member in District 26. She can be a full-time representative.

Reports inhumane Venice dog care

To the Editor:

I have a complaint about the Venice Dog Pound on Klein Street in Venice.

I went down there on Friday, Oct. 25, to see if my neighbor's dog was down there.

When I got there I found the place in very unsanitary condition.

There were over 25 dogs in a space that was only big enough for five dogs at the most. There wasn't any food or water, and the dogs were starving to death.

I looked a little closer and I saw a mother dog bearing pups in the middle of the mess.

The pups were dying. The longer I stood there the less I could stand to see the pups suffer. So my fiancé got the pups and mother out and we took them to my house.

Three pups died that evening because the mother didn't have enough milk for them.

The next day, Oct. 26, my mother had to take the mother dog home a dead pup because she didn't have the strength to do it herself.

On Monday I went to the Police Department to find out if I could complain to about it and I told my story to a Venice dog pound officer.

When I told him the story, he said it was a lie, that those dogs had food and water, and that it didn't matter about the mother dog because he would have killed her on Tuesday anyway.

He asked me if I wanted to watch him kill 26 dogs the next day. He also said that he would come to my area and pick up the dogs he could see and kill them the next day, also.

If the aldermen in my ward expect to get my vote or my neighbor's vote this election, I think they should do something about the dog pound and the Venice dog pound.

The Venice Dog Pound and the people who are supposed to be caring for the dogs are in direct violation of the Humane Care for Animals Act and the Animal Welfare Act, in my opinion.

MISS ALICE H. HILL
604 Plumtree St., Venice

Trust shown during era of distrust

To the Editor:

There was never a single harsh, cutting word by your balloted me nor at any by very nice people. The only people I failed to thank were the ones who gave me a great honor by saying, "We are listening to you because you are a person of integrity and honesty; that although we cannot be at the meetings, we firmly believe you will do what you feel is best for us—not just for yourself—and that you will stay in touch with the community."

I feel that you have given me a great honor by saying, "We are listening to you because you are a person of integrity and honesty; that although we cannot be at the meetings, we firmly believe you will do what you feel is best for us—not just for yourself—and that you will stay in touch with the community."

I feel that you have given me a great honor by saying, "We are listening to you because you are a person of integrity and honesty; that although we cannot be at the meetings, we firmly believe you will do what you feel is best for us—not just for yourself—and that you will stay in touch with the community."

Prepare for winter driving—Veizer

Even though fall is upon us, many Granite City area motorists still are looking for summertime habits when it comes to driving and car maintenance, according to Police Chief Ronald J. Veizer, who supported his comment with the observation, "What happens when the first snow flies?"

GRANITE CITY PRESS-RECORD
Mon., Nov. 4, 1974 Page 14

Cars are lined up for blocks at the station getting radiators checked and snow tires installed, Chief Veizer said.

"That's giving up summer driving habits far too late," he

continued. "Not only is the city's safety record jeopardized, so are the drivers' lives and the lives of their families and passengers."

Veizer urged an early check of tire chains and tires. "You not only avoid one of winter's major problems—inadequate traction," he said.

The chief cited these traction action tips from the National Safety Council's Committee on Winter Driving Hazards:

Regular tires should have enough tread to get a good bite on snow or ice. Snow tires are an advantage if you drive a lot

on snowy roads. They should be of the same size and construction as the front tires.

Studded snow tires (in areas where legal) are even better, preferably on all four wheels. They offer the same advantages as regular snow tires, plus extra effectiveness on ice. When it comes to severe snow and ice conditions, reinforced tire chains give the most traction advantage.

Now is the time, according to Chief Veizer, to foresee winter driving needs and equip vehicles accordingly.

The chief also commented on a year-round habit recommended by the International Association of Chiefs of Police

and particularly helpful in winter—the use of seat and shoulder belts.

"When winter conditions increase the chances of property damage accidents," Chief Veizer said, "safety belts minimize injuries should an unavoidable mishap occur. Their ability to hold a driver in a stable position may actually enable you to avoid accidents which otherwise might occur on slippery streets."

He said that this is the time of year when Granite City's traffic department is preparing for the job of keeping traffic moving safely and efficiently during the winter ahead. The job requires thorough planning, not only to

House burglary

Burglars entered the home of Gordon Willis, 3016 Marshall Ave., and apparently took a large size one dollar bill; an 1823 half dollar; two folders of dimes; a check for \$12; eight silver dollars; and \$100 in assorted silver coins.

satisfy busy citizens whose time is valuable, but to keep life arteries open in the event of an emergency.

"The department will do its part," Chief Veizer promised, "but everyone who drives also shares that vital responsibility to be prepared—ahead of time."

Parent education training shop

The Illinois PTA will hold a state-wide Parent-Education Training Shop on Thursday, Nov. 21, at The Heritage House, 3851 S. Sixth St., Springfield, from 9:30 a.m. to 2:30 p.m. with registration at 9 a.m.

Jerry Allen, Illinois PTA Parent-Education chairman, will provide information on "What Parent Education Is" and "How to Do Parent Education Work" plus new materials to help with programs and projects.

Assisting Mrs. Allen will be Ruth Grobe, Illinois PTA president; Hortense Rayner, vice-president, Department of Home Service; Theo Vandy

council advisor; Patricia Pickett, leadership training chairman; and Dolores Stocker, PTA magazine chairman.

The information and material will be valuable to, not only parent education and program chairmen, but to all PTA members.

Luncheon reservations at \$3.50 should be received no later than Nov. 12, by Mrs. Howard Allen, 10616 Westwood Ave., Melrose Park, Illinois, 60164.

Real Estate program at SIUE

A series of three 15-hour continuing education programs for real estate salesmen and brokers will be held at Southern Illinois University at Edwardsville, according to Bonnie Little, coordinator of Conferences and Institutes.

The first program in the series will include sessions on mortgages, deeds of trust, equity, terms and release provisions, interest, usury, waiver of redemption, escrow, and contractors' statements. The courses will meet from 7 to 9 p.m. on Wednesdays from Nov. 6 through Dec. 18.

Course topics for the second program in the series will be on appraisal and will conform to suggested procedures established by the real estate examining committee of the Department of Registration and Education. Conference classes will meet from 7 to 10 p.m. on Wednesdays beginning Jan. 13 and ending Feb. 12.

Session topics for the final program in the series include the history, scope and definition of farm management; budgeting, marketing, tax planning and depreciation, insurance and General Motors Corporation automobile.

Troopers have been searching for the auto which struck John Ross, 20, Creve Coeur, Mo., a pedestrian, on Route 159, south of Edwardsville Oct. 21.

Ross was remained in a coma at Firmin Desloge Hospital since the accident.

Police are asking body shops and residents to be alert for a turquoise General Motors car with damage to the left front and to notify police immediately if such a car is seen.

also open to persons engaged in allied professions and to current brokers who wish to further their education in understanding real estate.

The fee for each program is \$42.50, which includes all materials. Additional information can be obtained by contacting the office of Conferences and Institutes at Southern Illinois University at Edwardsville.

State police seek car in hit-run mishap

Illinois State Police, District 11, revealed today that the Federal Bureau of Identification crime laboratory in Washington, D.C., has identified paint on the clothing of a hit and run accident victim as having come from a 1965 or 1966 General Motors Corporation automobile.

Troopers have been searching for the auto which struck John Ross, 20, Creve Coeur, Mo., a pedestrian, on Route 159, south of Edwardsville Oct. 21.

Ross was remained in a coma at Firmin Desloge Hospital since the accident.

Police are asking body shops and residents to be alert for a turquoise General Motors car with damage to the left front and to notify police immediately if such a car is seen.

SIUE college fair

Southern Illinois University at Edwardsville will participate in a national college fair to be held Nov. 8-9 at Stouffer's Riverfront Towers in St. Louis. More than 200 schools from throughout the nation will be represented at the fair, sponsored by the National Association of College Admissions Counselors.

Robert M. Bruker, director of admissions and records at SIUE, said counselors from admissions staff will be on hand from 3 p.m. to 9 p.m. Nov. 8, and from 9 a.m. to 5 p.m. on Nov. 9, to answer questions about SIUE and prospective students and others.

\$12,200 theft

A diamond and a wedding engagement ring set, worth a total of \$12,200, were reported missing from a dresser drawer by Roberta Robbins, 2900 National Ave., last week.

Amsted sales, backlog high

Amsted Industries reported in Chicago this week that its earnings and sales reached all-time highs in the fiscal year ended Sept. 30.

Net income of \$17,941,000 for the year was up 19 per cent from \$15,100,000 a year ago. Earnings per share were \$0.68, an increase of 21 per cent from \$0.56 last year.

The 1974 figures include an extraordinary gain of \$941,000, or 35 cents per share, which came from the sale of Amsted's investment in an Australian manufacturing company. Sales of \$468,500,000 rose 26 per cent from \$372,300,000 in 1973.

Subsidiaries include American Steel Foundries, which has a major plant in Granite City.

Goff Smith, president, and Joseph B. Lanterman, chairman, noted that during the past year, the rate of inflation had a material effect on the reported profits of many companies, including Amsted.

In order to more properly report income, Amsted adopted the last-in, first-out (LIFO) method for valuing the majority of its inventories.

This method more closely matches current replacement costs of inventory items with current product selling prices and results in eliminating inflationary inventory profits from income. The change had the effect of reducing reported income by \$1.72 per share.

Net income, reflecting the change to the LIFO method, was \$2,515,000 for the quarter ended Dec. 31, 1973; \$3,218,000 as of March 31, with \$6,364,000 for the period ending June 30 and \$5,584,000 for the final quarter.

Smith and Lanterman said, net income and margins on sales in the first six months of the fiscal year were adversely affected by rapid increases in raw material prices that were only partially recovered through higher selling prices because of the time lag in implementing price increases under price control regulations then in effect.

The executives noted that, in the last half of the year, sales volume increased significantly, and the elimination of controls permitted more timely implementation of realistic prices to offset higher costs.

"The combination of these factors resulted in improved profit margins in the final six months, and both sales and earnings were the highest ever achieved in any comparable period in the company's history."

Revenue increases in every major product category contributed to record volume.

Compared with 1973, sales increased 20 per cent for general industrial products to a new high of \$132,700,000. Construction and building products rose 2 per cent to a record \$140,200,000, an improvement of \$3,100,000.

Railroad product sales reached a record \$195,600,000, up \$70,700,000, or 57 per cent, reflecting the impact of the sizeable increase in the number of new freight cars built.

In June 1974, the quarterly dividend payment was increased to 70 cents per share from 60 cents, which had been

paid each quarter since June 1973.

This resulted in a record dividend of \$2.70 per share in fiscal 1974, up 8 per cent from \$2.50 per share in 1973. Dividends totaling \$7,235,000 were paid to stockholders in 1974 compared to \$6,889,000 in 1973.

Amsted's backlog of orders at Sept. 30 was at an all-time high of \$387,000,000, more than double the \$181,000,000 a year ago. The largest increase was in orders for components for new freight cars.

Fixed asset additions were \$12,838,000 in fiscal 1974, an increase of \$1,589,000 from the prior year.

The largest expenditures were for facilities to increase production capacity of the cast iron water pipe plant at Council Bluffs, Iowa, the plastic products plant in Fairfield, Iowa, and at several steel wheel plants.

On the basis of present plans, expenditures for plant additions in 1975, excluding acquisitions, are expected to approximate \$20,000,000.

The company purchased 34,700 of its common shares during fiscal 1974 and had a total of 425,751 treasury shares on Sept. 30.

Amsted had no debt at Sept. 30, 1974. The debt outstanding a year ago was \$8,500,000.

UFO lecture is postponed
A lecture by Clarence O. Dargie on the subject of unidentified flying objects, scheduled Tuesday, before members of Granite City Explorer Post 2001, has been rescheduled for Friday, Nov. 15. The address will be given in the Nameoki Recreation Center and will be open to the public. Tickets for the Nov. 15 lecture are available at \$1 in advance from any Post 2001 member, or \$1.50 at the door.

Police enforce tavern closing

Charlotte Flynn, 30, of 1215 Edwardsville Road, Madison, a barmaid at Ralph and Charlie's Restaurant, 1481 Fourth St., Madison, and David M. Thebeau of 1431 Fourth St., Madison, owner of the establishment, were charged with violation of the tavern closing law at 1:25 a.m. Friday.

According to police, they allegedly observed drinks being served at the bar after the 1 a.m. closing hour.

Both were released on \$100 cash bond with notice to appear in court at 10 a.m. on Nov. 13.

DUV to aid diabetes program

Members of The Daughters of Union Veterans, Tent 60, will assist the St. Louis Diabetes Association in the sale of the Diabetes Holiday greeting cards.

The St. Louis Diabetes Association is offering the greeting cards with subject matter appealing to all tastes. Boxes of 25 cards range from \$3.95 through \$9.95. The purchaser pays the regular retail price, but one-half of this amount will support the St. Louis Diabetes Association effort to conquer diabetes through detection, education and research. One-half of the purchase price is tax deductible. A one-line name imprint is included in the price of the cards if desired.

Donations in any amount may be accepted, and there is a line on the order form for additional

contributions. All additional contributions are tax deductible. Cards are mailed to the purchaser directly from the manufacturer. Buyers may make check or money order payable to the St. Louis Diabetes Association.

The Diabetes Association is a non-profit agency supported by membership subscriptions, voluntary contributions and the United Fund, and is an affiliate of the American Diabetes Association. It is made up of people with diabetes and their families, physicians, nurses, dietitians and others interested in diabetes. Its programs and projects are conducted by volunteers.

More information may be obtained from Sylvia Turner, Daughters of Union Veterans, chairman.

7 named to SIUE student senate

Seven students were elected to the student senate as senators-at-large at Southern Illinois University at Edwardsville last week.

Elected were Gene Summers of Springfield, Neal "Buzz" Butler of Edwardsville, Janet Benzene of Alton, Marilyn Rogers of East St. Louis, Jon Schmitz of Belleville, Antonio "Tony" Giannico of St. Louis and William Puckett of East St. Louis. They were chosen from a field of 15 candidates.

The student senators will take office Jan. 1, 1975 and will serve for the calendar year. The student senate at the university is composed of 14 senators. Seven are elected each fall and seven are elected in the spring.

Fence is damaged
A hit and run motorist struck the fence along Nianteki Road in front of Kirkpatrick Homes and downed 70 feet of the chain link fencing before driving away, authorities were told last week.

RAGGEDY ANN made her appearance at the Mitchell School parade, portrayed by the president of the school's Parent-Teacher Association, Mrs. Viva Elliott of Pontoon Beach.

Tea at Webster to honor PTA workers

An appreciation tea for PTA members who assisted at the successful "Spook Carnival" at Webster School is planned from 3 to 4 p.m. today at the school, Mrs. Ruth Dolosic, chairman, said.

A second tea will be given for the project chairmen and workers from 7:30 to 8:30 tonight following a regular meeting of the Webster PTA executive board.

Mrs. Dolosic said the annual project once again proved a successful venture. The carnival included booths, a cake walk, food, games and dancing to music provided by Gidians Robe.

Among those in charge of various booths and activities were Kathy Gowan, Irene Williams, Sandra Pagan, Paul DePew, Donna Jones, Paulette Gray, Barbara Schwertmann, Sharon File, Betty Brooks, Jonha Topal, Mary Vellofi, Jo Ross, Karol Lee, Kenneth Cann and Guy Cooper.

Mrs. Irene Filler served as general co-chairman and supervised the kitchen staff.

FIRST GRADERS were led by their teacher, Marianne Reiman, right, during the Mitchell School Halloween Parade. A colorful assortment of costumes greeted parade watchers along the route.

News notes

Fire burned 600 acres of wooded land at the 8,600-acre Pere Marquette State Park near Grafton last week. No buildings were damaged and there were no injuries. The area affected by the blaze is near Graham Hollow in the northeastern part of the park adjacent to the ski lift.

WANTED 5 HOMES THAT Need Painting

ILLINOIS AREA — 5 home owners in this general area will be given the opportunity of having the new Steel Siding by U. S. Steel applied to their homes with optional decorative work at a very low cost. This amazing new product has captured the interest of homeowners throughout the United States who are fed up with constant painting and other maintenance costs. It will last for 30 years and provides full insulation summer and winter, as well as fire protection. Our new product can be used over every type of home, including frame, concrete block, stucco, etc. It comes in 6 colors and is now going to be introduced to Illinois area market. Your home can be a show place in your vicinity and we will make it worth your while if we can use your home.

For appointment write to U. S. Steel, Box 32 c/o Granite City Press-Record.

HAY RAKE STOLEN
Donald Basden of Hartford reported Thursday, that a side delivery hay rake, valued at \$500, was taken from near Emzee Avenue and Division Street.

Halloween parade winner

Spring-like weather on Thursday night attracted approximately 500 area residents who participated in the annual Moose Lodge Halloween Parade led by the Shriner's marching unit, the Rolling Nobles.

Those selected for the top cash prizes in three categories were Paul, Tabitha and Jeannette Mathews, first for the most original dress; Brian Ballard, second and Ronnie Berchwal, third.

First award for the prettiest dressed went to Mickelos

Candidate says husband would aid her during board service

Mrs. Helen M. Hawkins, an independent candidate for the Madison County Board in District 26, said in a campaign statement during the weekend that she has sought to avoid "mud slinging" and name-calling.

Every piece of literature that has been put out on my behalf has either been signed by myself or bore the name of the Citizens Committee that has been working for my election.

"All of my literature will continue to do this. Unsigned literature or brochures put out by fictitious organizations may be put out, but not by my workers," she said.

"In response to the question, 'Are any women currently board members?', the answer is a resounding Yes!

"Further, if I am elected I will have the aid and support of my husband, Hubert, who has helped me in the past and agreed to help me in fulfilling my obligations to all members of the district, both male and female.

"In closing, I want to thank voters for the support and kindness shown to me by the people of the district.

"Since living in the district, I have served them in the past and I have never had cause to lose faith in their judgment.

"After each look at the candidates and the issues, I am sure he will make the proper decision. I will trust and abide in that judgment."

Mrs. Hawkins said she has signed a "code of fair campaign practices" which emphasizes discussion of the past record and of current public issues.

BEAUTY OR CULTURE? Jeff Stafford and "Beet" as pictured at the Granite City School of Beauty Culture's Halloween party. The upstairs of the school building at 1815 Edison Ave. was turned into a "spook house" for the Halloween party.

COUNT DRACULA RESTS with his witchy friend at a Halloween party at the GC Beauty Culture School. The Witch (Denise Orr) and the Count (Don Boyce) won prizes at the affair.

Chorale will sing at South High on Friday

The Concert Chorale of Southern Illinois University at Edwardsville will make four appearances Friday in a one-day concert tour.

The 50-member chorale group will present a 45-minute concert for vocal and instrumental music students at Granite City South High School, beginning at 8:15 a.m. Friday.

At 11:15 a.m., the group will sing for choral students at Cahokia High School. The group is scheduled to sing twice at Belleville Township West High School — at 1 p.m. for the high school's Concert Choir and at 4:40 p.m. for the Girls' Glee Club.

The Concert Chorale, directed by Leonard Van Camp, made its second European tour this summer. In July, the group won the 11th International Choral Competition in Spittal, Austria, and on July 21 it presented a concert at the Kennedy Center for the Performing Arts in Washington, D.C.

Granite City members are: Alicia Henderson, soprano; Robin Nunn, tenor; John Pierson, tenor; Gerrie Pinkerton, soprano; Mary Ann Sporic, soprano; and Mary Turner, alto.

Police cars damaged

Benjamin A. Wagoner, 19, of 1214 Douglas St., Venice, was charged with aggravated assault on a police officer and criminal damage to property at 8:35 p.m. Thursday.

Venice police officers reported they were questioning several suspects concerning rock throwing when Wagoner allegedly threw a bottle, striking one of the Venice officers, and then ran. Police caught him in the 100 block of Weaver Street.

Venice police alleged the windshield of a squad car was broken by a brick reportedly thrown by Wagoner.

A Madison police car, sent to assist Venice, with a report that several young people were on top of a building throwing at cars, had an unknown object strike the rear window of the squad car, breaking it.

Scout dinner Thursday

The Uniwah District (Quadrant) of the Cahokia Mission Scout Council will hold its annual meeting beginning with a buffet dinner at 8:30 p.m. Thursday at the First United Presbyterian Church, 22nd Street and Delmar Avenue.

Tickets are \$3 each and should be purchased no later than 5 p.m. Wednesday at the Boy Scout Service Center, 1330a Niedringhaus Ave., which is open daily 8:30 a.m. until 5 p.m.

Highlights of the meeting will be the election of district officers and presentation of the "Award of Merit" to outstanding scout leaders in the area.

Mitchell Webelos hike 5 miles

The Webelos of Cub Packs 41 and 141 of Mitchell School participated in a five-mile pilgrimage to Lewis and Clark

Eagles Auxiliary plans benefit

Eagles Auxiliary Unit 1126 combined its regular meeting with a Halloween party last week at the Eagles Home, 2557 Madison Ave.

Paul Klinge, school president, was in charge and discussed the District 8 meeting to be held in Wood River.

Plans are advancing for the senior citizens' fund raising dinner, Mrs. Betty Lyons, chairman, reported. The event, which is held annually at the Eagles Home, enables Eagles Aerle 1126 to contribute Christmas baskets to needy senior citizens and also to make a cash donation to the "Meals on Wheels" program.

At the social hour, refreshments were served by Mrs. Marian Hennrich, Mrs. Delores Parent, Mrs. Mary Searedale, and Phyllis Soka and Mrs. Pat Tapp.

Tables were decorated by Mrs. Delores Klesh, who used appropriate Halloween colors and favors.

Butterfly Club marks 24th year

Members of the Butterfly Club gathered last week at the home of Mrs. Irene Willis, 2715 Center St., to celebrate the 24th anniversary of the club.

Games were played during the evening and those holding high scores and winning prizes were Mrs. Juanita Rosenberg, Mrs. Nell Talley, Mrs. Mary Lou Clausen and Mrs. Lorraine McElroy.

As the hostess served refreshments, the group presented her with a gift in observance of her birthday.

Also present were Mrs. Thelma Schmidt, Mrs. Edith Ryan, Mrs. Hazel Rollins and Mrs. Harriet Hoff. Mrs. McElroy invited the club to meet in her home in November.

550 visit Nameoki School open house

About 550 parents and children attended open house at Nameoki School and toured the classrooms where student work was displayed. Vincent Rogier Jr., PTA president, announced.

During a short business meeting, Mrs. Marian Ozanich was named chairman of a candy sale to start Wednesday and continue through Nov. 18.

All students participating in the PTA's only fund raising drive this year must have permission slips signed by their parents, the chairman reported.

First birthday for Shawn Hayes

Mr. and Mrs. Charles Hayes, 2520 Roney Drive, entertained guests at a party last week in honor of their son, Shawn Michael, on his first birthday.

Red and blue streamers were used to decorate the refreshment table, which held a Huckleberry Finn centerpiece.

The hosts served a dessert luncheon to Mr. and Mrs. Douglas Horn and children, Steven and Michael; Mr. and Mrs. William Black and son, William; Miss Karin Horn, Dave Kwiatkowski, Bill Hayes, Philip Hayes, Robin Hayes, Edward Parkinson and the honoree's grandparents, Mr. and Mrs. Robert Horn and Mrs. Dorothy Hayes.

Fred Tucker found dead

Funeral services were held at 10:30 a.m. today at St. Paul's Episcopal Church in Alton for Fred Tucker, 70, of 4006 Voltaire Drive, Godfrey, a former Granite City resident.

His body was found at 7:20 a.m. Saturday at Brush Lake near Eldred, Ill., following an all-night search involving defense units from Carrollton and White Hall, Mr. Tucker had gone on a duck hunting trip Thursday afternoon and failed to return.

According to authorities, he apparently died of a heart attack. His body was found on its back in about eight inches of water in the brush-covered lake.

Survivors included five brothers, Glen "Ted" Tucker and Lyman Tucker, both of Granite City; Jack Tucker, Bakersfield, Calif.; Carl Tucker, Webster Groves, Mo.; and Leon Tucker, Mountain Home, Ark.; three sisters, Mrs. Lawrence (Nell) Pickett, Seattle, Wash.; Mrs. Henry (Helen) Alt, Denver, Colo.; and Mrs. Thomas (Lucille) Martin of Granite City.

MINI-BIKE STOLEN

A mini-bike valued at \$450 was reported at 5:05 p.m. Thursday as having been stolen from the front yard of its owner, Carol Duffield, 160 Voight Place, Mitchell.

Randy Riley, 18, dies

Randall "Randy" Riley, 18, of New Baden, Ill., formerly of Granite City, died at 7:30 p.m. Friday of injuries sustained in a truck accident on Route 106 south of Trenton, Ill.

He and four other young people were in a pickup truck which ran under a transport truck when the truck stopped at a railroad crossing, according to authorities.

Two girls were killed instantly and the other two are in critical condition.

Orvel Mitchell, 71, dies

Orvel J. Mitchell, 71, of 2718 E. 24th St., ill for two weeks, died at 1:20 p.m. Thursday at St. Elizabeth Hospital.

He was employed 40 years as a carpenter with Local 63 and also owned and operated the Mitchell Sharpening Service at his home.

Born in Harrisburg, Ill., Mr.

Loot mobile home

A television, record player, pistol, camera and two diamond rings and other jewelry were stolen from the mobile home of Karen Berghahn, 2715 W. 22nd St., it was reported at 1:40 p.m. Saturday. A door was pried open to gain entry. The loss was estimated at more than \$1,040.

BREAK CHURCH WINDOWS

Six stained glass windows and two plate glass windows at St. Bartholomew's Episcopal Church, 2200 Grand Ave., were broken by thrown rocks, officials reported at 8:05 a.m. Sunday. The windows were valued at more than \$1,000.

Secretaries select Venice mayor

Venice Mayor William "Mike" Ebersoldt was named "Boss of the Year" at the 11th annual "Boss Night" dinner of the Tri-Cities Chapter, National Secretaries Association, held at Rusty's Restaurant in Edwardsville.

Norman LeTourneau, the 1972 "Boss of the Year," presented Mayor Ebersoldt with a certificate in recognition of his selection.

"School Days" was the theme of the event. Programs were in the shape of an apple with a crocheted worm protruding from the cover. Name tags were little red schoolhouses and place cards were miniature slates.

An assortment of fresh fruit centered the head table. The secretaries wore hairbows, while the bosses were given dance caps to wear.

After a cocktail hour, a buffet dinner was served, followed by a skit entitled "It Shouldn't Happen to a Boss." The playlet concerned several women being interviewed at an employment agency for the position of a secretary.

Those participating in the play and the parts they por-

GRANITE CITY PRESS-RECORD

MAYOR EBERSOLDT
'Boss of Year'

trayed were: Mrs. Helen Gieszmann as Miss Place, the employment agency operator; Mrs. Helen Christich as Miss Place's secretary, Parafin; Mrs. Gail Foley as Miss Miss Greenbrain, a recent business school graduate; Miss Twila Edmonds as Miss Angostura Bittersweet, a spinster with the play and the parts they por-

secretarial field; Miss Jane Davis as Mrs. Everby-Smartenbright, the epitome of secretarial perfection; Mrs. Lou Hemming as Miss Daphne Droopingbaum, perpetually tired; and Mrs. Joyce Gavich as Miss Perrywinkle Husband, dedicated to a single purpose.

Mrs. Lana Randolph, who recently became a certified professional secretary (CPS), was honored at the dinner. A CPS pin was presented to her from the chapter and her boss, John Paul Davis, SIUE, offered a few comments. Harry Frauenfelder, Mrs. Randolph's first boss when she was employed at Granite City Steel also spoke briefly.

Miss Edmonds served as mistress of ceremonies at the dinner with Mrs. Sally Gracey, chapter president, extending the welcoming address. Mrs. Foley, CPS, was chairman of the Boss Night committee. Those participating in the skit served as committee members. Former "Boss of the Year" winners attended the dinner: Harry Thebeau, Larry Sidener, Mrs. Mary Sedekum, Elroy Rule and LeTourneau.

MARRIED. Mr. and Mrs. David Lynn Buckingham, who were married at the Bethel Chapel Pentecostal Church. The bride is the former Miss Kande Kaye Shemwell, a daughter of Mr. and Mrs. Gene Shemwell, 46 Steelcrest Lane.

Kande Shemwell weds David L. Buckingham

Miss Kande Kaye Shemwell became the bride of David Lynn Buckingham at 7 p.m. Oct. 11 at the Bethel Chapel Pentecostal Church, 25th and Ohio streets.

The Rev. Clifton Galther officiated at the double ring ceremony in a candlelight setting.

Mrs. Sheila Rush of Blue Springs, Mo., a cousin of the bride, played and sang several selections, including "Close to You," "Wedding Song" and "Twelfth of Never."

The bride is a daughter of Mr. and Mrs. Gene Shemwell, 46 Steelcrest Lane. Parents of the groom, Mr. and Mrs. Don Buckingham, reside at 294B South Area, Tooele, Utah.

For her wedding, the former Miss Shemwell wore a Chantilly lace gown designed with a Sabrina neckline and fitted bodice.

Long tapered sleeves formed, points over the hands and her bouffant skirt extended into a chapel train.

A bejeweled headpiece held in place a melody length veil, bordered in matching lace.

Maids of honor Miss Barbara Siebert and bridesmaids Miss Linda Hughes and Cindy Zeller were dressed alike in gowns of bright orange chiffon over taffeta.

Fashioned with embroidered bibs to accent the bodices, their dresses were created with long sheer sleeves and high

necklines, edged in white lace. An apricot ribbon marked the Empire waists.

Becky and Darrell May, cousins of the groom, served as flower girl and ringbearer, respectively.

The groom chose his brother, Dennis Buckingham, as best man. Bill Brimm, Jerry Nickles, Brad Shemwell, a brother of the bride, and Rusty Wilson completed the corps of groomsmen and ushers.

Greg and Kevin Shemwell were candlelighters and Melody and Starline Shemwell distributed rice packets to the guests.

Mrs. Shemwell, mother of the bride, chose a full length dress designed with a white crocheted bodice, long sleeves and a brown silk ruffled skirt.

The groom's mother, Mrs. Buckingham, was attired in a two-piece navy blue suit complemented with white accessories. Both wore corsages of apricot carnations and white roses.

Kleyn Kleusen attended the guest book at a reception held at the Long Lake Firemen's Hall.

Both young people graduated from Granite City High School. The bride is employed at Ponderosa Steak House and her husband works as a machine operator for Shasta Beverages in Granite City. They are residing in Granite City.

Mr., Mrs. Clyde Cessna mark 50th anniversary

Mr. and Mrs. Clyde Cessna, 2219 Pontoon Road, received about 70 guests at a reception given in honor of their 50th wedding anniversary at Tri-City Park Tabernacle fellowship hall.

Hosting the party were the honorees' children, Mr. and Mrs. Charles Cessna of St. Louis and Mrs. William (Opal) Wallace of Granite City, and grandchildren, Mrs. Alan (Sharon) Lenz of Granite City and Cindy and Chuck Cessna of St. Louis.

Also attending were great-grandchildren, Lisa, Alan and Billy Lenz; and Mrs. Dudley (Mac) Forsythe, a sister of Mrs. Cessna.

Mr. and Mrs. Cessna were married in Greenville, Ky., on Oct. 28, 1924. They have resided in Granite City for 49 years.

They are both members of Bethel Chapel Pentecostal Church.

Mr. Cessna was employed as a train engineer at Granite City Steel for 46 years prior to his retirement 12 years ago.

Joint meeting of cub packs

Cub Pack 108, sponsored by Lake School PTA, and Pack 121 of Wilson School held a joint Halloween pack meeting highlighted with the youngsters breaking a pinata.

Norman Kinder of Pack 108 opened the meeting with the pledge of allegiance followed by a get-acquainted game called "married words."

The members and guests participated in a grand march, for judging of the best costumes. Those selected as the best-dressed boys were Ricky Sellers and Kerry Flinn. The best dressed girl was Paula Brown. Judges were Charles Buford, Lennie Reeves and Joe

Hordesky. Anita Baker, Ed Gula and Carol Carter won prizes in the evening games.

During a candlelight ceremony, Cubmaster Richard Foote presented Todd Baker, Den 2 with a Bobcat award; John Paschdag with a summer time pack award pin and bi-centennial patch; and membership cards went to John Paschdag, Todd Baker and Dave Becherer.

Poole also welcomed David Combs, John Bucks and Tom Gula as new pack members and presented Charles Buford with an appreciation certificate.

MISS JOHANNA GABBETT, the fiancée of John R. Klesh of Granite City. Their engagement is being announced by the bride-to-be's parents, Mr. and Mrs. John W. Gabbett of Delavan, Ill. A summer wedding is planned.

Klesh-Gabbett engagement

Mr. and Mrs. John W. Gabbett of Delavan, Ill., are announcing the engagement of their daughter, Miss Johanna Gabbett, to John R. Klesh, son of Mr. and Mrs. John Klesh, 97 Riviera Drive.

The bride-elect is a graduate of Delavan High School and the University of Illinois. Currently, she is studying toward a master of science degree in speech therapy at the University of Illinois, Champaign.

Her fiancé, a Granite City High School graduate, also graduated from the University of Illinois. He is working in the doctoral program for organizational psychology at the University of Michigan at the present time, and is employed at the university's Institute for Social Research at Ann Arbor, Mich.

Plans are being completed by the engaged couple for a summer wedding.

Miss Schwager sorority pledge

Miss Sally Schwager, daughter of Mr. and Mrs. George Schwager, 2497 Waterman Ave., has been pledged to Kappa Delta social sorority at the University of Missouri-Rolla.

Miss Schwager is a sophomore majoring in petroleum engineering.

500 visitors at Lake open house

An estimated 500 parents and children attended the annual open house program at Lake School last week.

Three demonstrations were presented by faculty members, and refreshments were served by kindergarten and first grade mothers under the direction of Mrs. Kathy Bledsoe, chairman.

Conducting the demonstrations were Jim Mellich, physical education teacher, who presented 48 pupils from grades 4 through 6 in an exhibition of gymnastic skills; Phyllis Higgins, Learning Center teacher, who had students working in the center on regularly programmed materials; and Nancy Graf, school nurse, who checked and recorded the blood pressure of visitors.

Fall festival at Nameoki church

Nameoki United Presbyterian Church will hold its "Fall Festival and Auction" Saturday on the church grounds, according to the pastor, the Rev. Don F. Pierson.

Featured at the fund raising project will be a flea market, book and bakery booths and also a plant sale. Church members are being reminded to bring items for the event to the church today.

Persons wishing information or to donate items may call Mrs. Rita Overath, at 931-3547, or Mrs. Nora Corzilius, at 876-8414, the Rev. Pierson reported.

The pastor said all proceeds from the auction will be added to the church remodeling fund.

HONORED AT SHOWER

Mrs. Bea Harvey of Lake Drive and Mrs. Rita Wideman were hostesses at a blessed event shower honoring Mrs. Larry Harvey at the Levee District ball.

Guests included Mrs. Evie Owens, Kathy Wideman, Bonnie Grimes, Carolyn Stevens, Sadie Joyce, Earlene Cook, Gertrude Williams, Barbara Burger, Edna Ritz, Hazel Painter, Ora Anderson, Naomi Boelling, Debbie Harvey, Jean Byrd, Ruth Canner, Nellie Siropnick, Sandy Agers, Mrs. Smith and daughter, Sue, Lee Ann Cook, JoAnn Cook, Myrtle Brown, Mrs. Nickels, Carole Holman, Claudia Barton, Sheila Rushing, Marlene Brown, Kathy Kries, Betty Jeffries, Linda Johnson, Barb Jones, Mary McKinnon, Peggy McKinnon, Charlene Schenwell, Heather Schenwell, Cindy and Amy Martin and JoAnn Mijolaszuk.

Games were enjoyed and prizes were given to Carolyn Stevens, Earlene Cook, Kathy Kries, Betty Jeffries and Sue Smith.

Mr. and Mrs. Douglas Harvey and daughters, Debbie and Barbara of Lake Drive have returned from a combined business and pleasure trip. He attended classes pertaining to his work, and points of interest were viewed in Williamsburg and Richmond, Va.

EIGHTH BIRTHDAY

Sammy Tate, son of Mr. and Mrs. Eddie Tate, 26 Victoria Drive, was honored on his eighth birthday with a film party at a local theater and a return to his home for dessert, including a "baseball cake."

His guests were Donnie Fowler, David Moss, Joey Diche, Benny Nolan, Mark and Kenny Dowdy, Rickie Bradford, Ricky Jones, Kenny Henderson, Mike Anicelli and Larry Watson. He received many gifts.

His sister, Nicole Tate, observed her first birthday with a family party in the home. Decorations included a doll cake in pink and white.

HERE FROM KENTUCKY

Mr. and Mrs. Norb Wagner and son of Louisville, Ky., spent a weekend with his aunt, Mrs. Laura B. Benson. Mrs. Flora Willis, who had been visiting her sister in law, Mrs. Benson, returned to her home in Louisville with them.

BAPTIST CONVENTION

The Rev. and Mrs. Rudolph Hickerson and Mr. and Mrs. J. E. Smith have returned from Mishawaka, Ind., where they attended a three-day meeting of the Association of General Baptists. The national convention was attended by many pastors and laymen of the Illinois Association. The 375 meeting will be in St. Louis in October.

PRAYER SERVICE

The Ladies' Missionary Society conducted a prayer service at Cedar View Baptist Church during the absence of the pastor.

Mrs. Gladys Crump, president of the society, presided and different offices and functions were outlined by Mrs. Ruth Clifton, Love Gift chairman, and Brenda York, program chairman.

Jewel Black led testimonies, and the devotional was given by Pat Dickerson. The service concluded with special prayers for missionaries.

GC collie earns 'companion' title

Sir Edwin Duke, a registered collie owned by Dennis Riggs of Granite City, won a Companion Dog (CD) title in obedience during a four-week period by compiling three scores of 170 or more points out of a possible 200-point score under three different judges.

The animal earned the first "leg" toward the title by achieving a 187½ point score on Sept. 27 at Indianapolis, Ind. The second segment was won at Peoria on Oct. 13, with a score of 193½ points, and the final "leg" was surpassed on Oct. 27 at Louisville, Ky., with a point total of 186.

Sir Edwin also was the highest scoring collie in trial trophy at the Peoria and Louisville matches.

In addition to the AKC sanctioned shows, the animal attained second highest scoring dog in trial at a fun match in Highland, Oct. 20, and a second place in Novice A Class at Larimore Park, St. Louis, on Oct. 6.

Riggs said the 2½-year-old collie will start Open Class work in the spring months.

SIR EDWIN DUKE, winner of a Companion Dog title in obedience, earned awards at five matches in the past month. His owner is Dennis Riggs of Granite City.

Opticon financing studied

Installation in Granite City of an Opticon system—by which electric traffic signals automatically are turned green by approaching emergency vehicles—will be considered as a priority project under the Housing and Urban Development program in which the city will participate. City Council members decided in regular meeting last week.

Decision to consider the program as one of the projects to be proposed by Granite City in the development of a countywide plan for which the federal funds will be requested was made after most members of the council favored a proposal to install the system, but questioned the source of funds with which to finance it.

Alderman Earl Baker, chairman of the council's Fire

and Water committee, brought the issue before the council with a report in which he said the S-H Co., the only firm in the country that installs the system, had estimated cost of the Granite City installation at about \$45,000, plus the cost of the installing work.

This price, Baker said, would equip all Granite City traffic signals, including those yet to be installed, with units that make the light changes, and would equip all city fire trucks and police cars with the lights that effect the signal changes.

Baker told the council that he was informed by officials of the S-M firm that this price would increase by 15 per cent next year.

Alderman Sam Whitmer said that if the system would prevent "just one accident like the one

we had with the fire truck on Madison Avenue, it would more than pay for itself. If there is any way it can be done, the system should be installed."

Financing through the use of federal revenue sharing funds was suggested. City Treasurer Paul Rutledge said this could be done but a budget revision is necessary.

Baker, Fire Chief Don Parente and Chief of Police Ronald Veizer explained that the system can be financed on an installment basis over a three-year period, but this brought some objections because of the interest cost.

Alderman Clyde Boyd suggested the system possibly could be installed as a priority HUD project and Mayor Paul Schuler, who is one of seven members on a Madison County

Board that will plan the development program, said he agreed with this proposal.

As a result, proposals to finance the project from regular funds were dropped with the understanding the Opticon program will be considered in drafting the HUD development plan.

In other action Tuesday night, the council decided to study building permits and engineering plans in an attempt to determine liability for repair of a sanitary sewer line serving the Maryland Manor Apartments in the 2100 block of Pontoon Road.

According to Lionel Portell, superintendent of streets, the sewer line extends below the apartment building, although a sewer break, so far as is known now, is not under the building.

Alderman Ronald Coleman insisted that some action be taken toward repair of the sewer break because sewage is backing up in lines and causing health problems.

Portell told the council he had obtained estimates of \$15,000 per month for the cost of dewatering devices to be used in attempting to reach the break and make repairs, and that this cost does not include manpower, which would be provided by his department.

Council members said they did not believe they should proceed immediately with arrangements for repairing the break without first determining if there is liability on the part of the apartment property owner.

Lights in state capitol have evolved from gas to quartz

"We shall do such a thoroughly good job for the state as to amply justify your action in giving us this work."

—Western Electric letter to the state of Illinois, Sept. 25, 1876. For \$1,500, the state received "electric gas lighting apparatus for the Senate and House of Representatives chambers" in 1876 — and this promise of service, too boot.

The letter from Western Electric, on file in the State Archives Building, represents the first documentation of lighting for the present, State Capitol Building.

Although no one knows for sure just what was installed by Western Electric, the first session of the House convened in an illuminated chamber on Jan. 3, 1877.

The dome interior was lit by 144 gas jets, according to a chronology compiled by the Archives Office.

In 1886, bids were taken for a chandelier for the entrance to the House chamber.

Lighting for the exterior of Illinois' sixth Statehouse was first noted in 1887. On Jan. 9, the Illinois State Journal reported that the "exterior of the Capitol was to be illuminated every evening from dusk to midnight by 50 electric lamps."

Introduction of electric lights in the interior of the building occurred three years later. In 1890, inside electric illumination came in "the form of arc lights that lit the corridor and large rooms, including the House chamber."

GRANITE CITY PRESS-RECORD
Mon., Nov. 4, 1974 Page 21

In 1896, Secretary of State William H. Hinrichsen reported that the gas fixtures were leaking so badly that he had contracted with McCloskey and Holcomb for 1,500 16-candle power lamps at a cost of \$5,165.

The power was to be supplied by Capital Electric Co. of Springfield at a fixed rate of \$200 per month, thus reducing the cost for lighting by 30 per cent in addition to providing power for fans during the summer.

Chandeliers in the lower chamber were "changed to electric chandeliers," redesigned, rebuilt and refinished in 1920. Records also indicate that many other lighting fixtures were replaced and the gas fixtures were capped.

In the most recent restoration of the House chamber, which was completed in April, 126 quartz floodlights were installed in the ceiling.

RANSACK MOBILE HOME
The front door of the mobile home of Michael Stokes, 400 Braden Ave., Lot 1, was forced open and the home was ransacked, it was reported last week. A \$20 bill was taken from the kitchen table.

Warns against gold fraud

Illinois Attorney General William J. Scott has warned Illinois residents against buying "paper gold" on the doorstep when, for the first time since 1933, purchase of gold bullion by U. S. citizens becomes permissible on Jan. 1, 1975.

Door-to-door sales of "paper gold" will not be legalized by the new law, Scott said.

The attorney general explained that "paper gold" is a certificate promising future delivery of gold bullion. The price of a futures contract generally will vary from the current price for bullion depending on the market will rise or fall.

These certificates, or gold futures, can be bought only through brokers and securities exchanges registered with the U. S. government.

Scott cautioned that the possibility of fraud in the sale of either the actual gold or gold futures is very great since there has been no public sale of gold in the U. S. in the last 40 years. In the legally constituted gold futures market, Scott pointed out, there is little possibility of fraud because of strict govern-

mental control.

But the other way in which gold may be purchased after Jan. 1 is to buy gold bullion itself — that is spot purchases for cash — and such transactions will not be government supervised.

At the present time, there are no plans to register gold bullion salesmen with the government. Scott said he expects there will be reputable institutions like banks in which to purchase bullion. He added that use of these have been determined the problems presented by bullion purchase are obvious.

"The quality of gold can be determined only by someone familiar with gold. It is not likely the average consumer will have that sort of knowledge. The possibilities of

fraud in direct sales of gold bullion are enormous. Victims could find themselves buying painted bricks, gold-plated lead bars, brass bullion, or other variations such as bogus bargain-priced gold and phoney gold dust.

"Fraudulent salesmen could heighten their credibility by renting a storefront — a common dodge among fly-by-night salesmen who prey on the public.

It is vitally important that all persons who plan to purchase gold be wary of newly-arrived gold salesmen, whether operating door-to-door, or from a storefront," Scott concluded.

"Knowledge of the fraud potential in the gold market is the best protection possible for the would-be gold buyer."

Shakespearean play at SIUE

The Shakespearean comedy, *The Taming of the Shrew*, will be presented Nov. 6-9 by the University Theater of Southern Illinois University at Edwardsville. Curtain time is 8:15 p.m. in the Communications Building theater.

According to Prof. William Vilhauer, University Theater director who will supervise production of the comedy, the show will bring to the audience "a delightful evening of love, laughter, and song."

During one of the performances, regional judges from the National College Theater Festival will be present to judge the production, Vilhauer said. If the show wins in the preliminaries, the cast, along with the set and costumes — designed by SIUE students — will be sent to the University of Wisconsin at Milwaukee for final judging.

Admission to the SIUE production is \$2 for adults. Senior citizens and groups of 15 or more will be admitted at \$1 each. Admission is free for SIUE students.

Members of the cast and the troupe of minstrel players include: from Granite City, Robin Nunn (minstrel player) and Mark Ortiz (tailor and haberdasher).

CORONATION CEREMONY. Miss Debbie Winfield, Fall Festival '74 Queen at Granite City High School North, receives her royal tiara from Miss Diane Becherer, the 1974 Spring Carousel Queen. Waiting to offer congratulations at left is Miss Donna Voss, the retiring Fall Festival Queen.

NORTH HIGH FALL FESTIVAL. Royal Court members at the Fall Festival '74 ceremonies pose with new Festival Queen Debbie Winfield and her escort, John Royce. The coronation and Festival play were

presented before capacity audiences on Wednesday and Thursday evenings at South High auditorium. From left to right are Jamie Stevens, Dave Hamilos, Cloyce Randall, Mike Doneff, Laurie Morris, Brian Chastain,

Coral Atkinson, Keith Lucas, Escort John Royce and Festival Queen Debbie Winfield, Mike Gisham, Laura Compton, Joe Peacher, Pat Perkins, Jeff Reiter, Sandy Smith, Bill Carr and Kathy Wilson.

Sorority council sets ball date

A Valentine dinner dance and spring convention of Beta Sigma Phi Sorority were topics discussed at a meeting last week of the sorority's City Council. The group met in the home of Mrs. Arlene Haldeman, 4008 Melrose Ave.

President Barbara Wagner was in charge of the meeting. Members selected Feb. 15 as the date for the benefit ball when a Valentine queen will be selected from candidates nominated by each chapter.

Co-Chairmen Jana Gallardi and Betty Ebling reviewed plans for the sorority's area convention on April 27 at the Granite City High School South. The one-day meeting of chapters from the Southern Illinois region is expected to attract 450 delegates, they reported.

Guest speaker will be a Beta Sigma Phi international representative from Kansas City. Local merchants are planning special presentations at the afternoon session. It was announced.

Ways and means projects were discussed and each

Public office must work for the people—Howlett

A public official has an obligation to tell the public what he is doing, Michael J. Howlett, secretary of state, told college newspaper journalists Friday night.

Howlett was the featured speaker at a dinner of the Illinois Student Press Association at Springfield. Most of the audience were young men and women, 18 to 22 years old, who edit or write for college papers in all sections of the state.

"A public office is owned by the people and must work for the people," said Howlett. "The right of the people to know what is going on in public business is written into the law, and must be respected by every public employee."

"In the office of secretary of state, we have a Communications Department of 23 employees, including seven experienced newspaper, radio and TV journalists, all assigned to keep the public informed of our operation."

"We tell our story mostly through the news media, but we answer all inquiries from private citizens and interested groups. The Communications Division also prepares all publications of our office, including the Illinois Blue Book, Handbook of Illinois Government, Rules of the Road and Bicycle Rules of the Road."

"To use the counsel of informational experts in private industry, we have a Public Information Advisory Board, headed by Stuart List, former publisher of the Chicago American. Board members help us apply the latest communications techniques to tell our story."

"In a sense, all employees of our office who meet the public

are informational representatives. Shortly after I took office, we took a survey which found many visitors critical of our personnel. To improve service and efficiency, we retained a communications consultant who helped develop our 'Operation Plus'."

The program included 12 motivation sessions, centered on audio-visual presentations. All employees attended. Since then, we receive compliments instead of complaints on the courtesy of our employees.

"There's a difference between informational service and personal propaganda. When I took office, we immediately removed photographs of public officials from our driver license facilities."

"In their place, we posted a toll-free telephone number, 800-252-8980. Any resident with a question about his driver's license or car title or license can call from anywhere in the state. Trained personnel answer the calls. If they can't answer immediately, they try to within 24 hours."

"Posters on counters in our facilities say: 'As a taxpayer, you pay our salaries. You are entitled to prompt, courteous service. If you do not feel you are receiving this service, please contact me, toll-free—800-252-8980.'"

"When I was Auditor of Public Accounts, the statehouse correspondents gave me a Goldfish Bowl Award for running an open office. The office of secretary of state today is just as open."

"In this office, communications is a two-way street. We not only tell the world what we are doing, we listen to what the public thinks we should be doing."

"Some of the most valuable suggestions for improving our office have come from public appearances like this one. Ideas advanced from the audience proved worthwhile and were put into effect."

"I'm here not only to answer

News Notes

Federal insurance for deposits in financial institutions is being increased from \$20,000 to \$40,000.

An all-day meeting is set for Friday, Nov. 8, at the YMCA on Occupational Safety and Health Act regulations. Arrangements for the training were made by the Chamber of Commerce, and a catered luncheon is planned.

Mary Ann Sedey, new Midwest director of the National Organization for Women, said last week the group is backing women's efforts at SUE 10 to obtain greater hiring, salary, promotion and tenure equality.

Melvin Price said last week that if the Transportation Department fails to make a decision on a proposed new Columbia-Waterloo airport in early 1975, he will seek help in blocking its appropriations for other projects. He spoke to the Illinois-Missouri Progressive Airport Creation Task Force (Impact).

The U. S. Supreme Court has agreed to take another look at the death penalty, including arguments that it violates the constitution under all circumstances.

The government said last week its index of future economic trends fell last month at the steepest rate in 23 years.

A federal investigation indicates that the Illinois Bureau of Investigation may have done illegal wiretapping in several criminal cases, it was reported this week.

Tightening of standards for day and night child care centers was opposed at a public hearing last week at Edwardsville. The proposed rules would require workers to complete six college semester hours of study in child development, plus 10 more hours within two years.

8 couples divorced

Eight Quad-City area couples have obtained divorces in Madison County Circuit Court. Divorced were:

John M. Timmons from Janet G. (Irby) Timmons, both of Granite City. They were married Dec. 16, 1972. Mental cruelty was charged. Her former name was restored.

Debbie Anita (Barb) Odom of Granite City from Dennis Mitchell Odom of Collinsville. They were married July 12, 1973. Mental cruelty was charged. Her former name was restored.

Linda Sue (Jeffries) David from David Lee David, both of Granite City. They were married March 3, 1971. Mental cruelty was charged. Custody of one child was granted to the mother.

Cathy (Doming) Self of Granite City from James Self of Missouri. They were married Oct. 9, 1970. Mental cruelty was charged. Custody of two children was granted to the mother.

Cara Lynn (Howard) Ahlvers of Granite City from Richard Lee Ahlvers of Edwardsville. They were married June 30, 1970. Mental cruelty was charged. Custody of two children was granted to the mother.

Karen Rae (Calvert) Hellenhouse from Terry Lee Hellenhouse, both of Granite City. They were married June 21, 1974. Mental cruelty was charged. Her former name was restored.

Shelly Kay (Connor) Kahn from Raymond Phillip Kahn, both of Granite City. They were married Sept. 14, 1973. Mental cruelty was charged.

Sally Ann (Rue) Ruble from Leonard Muri Ruble, both of Granite City. They were married Aug. 11, 1972. Mental cruelty was charged. Custody of two children was granted to the mother.

National Steel expects to decide in '74 or expanding its steelmaking facilities

Directors of National Steel Corporation at Pittsburgh Thursday declared an extra dividend of 50 cents per share in addition to its regular quarterly dividend of 62 1/2 cents per share, payable Dec. 13 to stockholders of record Nov. 22.

GRANITE CITY PRESS-RECORD
Mon., Nov. 4, 1974 Page 28

At the same time, its board chairman, George A. Stinson, announced that the company earned a record \$69,005,461, or \$3.70 per share in the third quarter, and \$136,110,500, or \$7.31 per share for the first nine months.

"Financial results in the third quarter and first nine months of 1974 reflect improved profit margins resulting from con-

tinued high-level production and shipments as well as prices which bear a more realistic relationship to the steel market."

"Now we must expand our capacity to meet strong new levels of demand," Stinson added.

"Expansion at the profit levels in 1970-73 simply was not possible. If we are to respond to the nation's need for more steel, we must generate the funds to help pay for it."

Sharply higher costs of new equipment pose a major expansion-planning problem, he said, adding:

"In our last record year, 1965, we earned \$75 million in the first nine months. That would have bought us slightly more than

200,000 tons of new capacity then."

"At today's cost levels, 1974's nine months' earnings of \$136 million will pay only for the same amount of new capacity. It is quite apparent our dollars have eroded."

Shipments of 2,217,700 tons set a third-quarter record.

For nine months, shipments totaled 6,817,800 tons, slightly below those of the comparable period of 1973.

Production of primary steel totaled 2,715,400 tons in the third quarter and 8,126,600 tons for the first nine months. Each was close to record totals for these periods.

Steel demand will continue strong through 1974, Stinson

said.

National Steel's production and shipments during the fourth quarter will be curtailed somewhat by blast furnace repairs and could be drastically affected by a coal strike, should one develop on Nov. 12.

"Price increases in the second and third quarters were necessitated by our dismal experience with price controls," Stinson said.

"From the beginning of controls in August 1971, to their end on May 1, 1974, our cost increases substantially outran our price increases."

"A sharp catch-up was essential if we were to stay in business."

Two other elements which

entered National's pricing actions were the continued strong upward movement of its costs, which made a pass-through essential, and the need to expand capacity, it was explained.

"Even at these improved margins, it will be difficult to meet our capital requirement," Stinson said.

"Nevertheless, we are expanding because we believe enlarged sources of domestic steel are essential to the future of industry and the consumer in this country."

"Already, we are almost halfway through a \$300,000,000 expansion which will increase our capacity about 10 per cent, or more than 1,000,000 tons."

"We also are nearing a final decision, before the year-end, on an additional 2,000,000-ton expansion in new steelmaking facilities."

"This purchasing power erosion is the vice of inflation,

which is being fed by the shortages of basic materials such as steel," Stinson said.

"Our contribution to the fight against inflation must be two-fold:

"First, we must expand to eliminate the shortage."

"Second, we must continue to make every effort to hold down our costs in order to preserve our profit margins without which we cannot expand. We are hard at work on each of these."

Third-quarter 1974 sales totaled \$781,679,714. For the first nine months, sales totaled \$2,031,662,670. Both were at record levels.

Depreciation and depletion charges totaled \$28,112,032 and \$62,586,735 for the third quarter and the first nine months, respectively.

Investment credit included in the third quarter results was \$600,000 and for the first nine months, \$2,650,000.

Debate team takes honors

The Granite City High School South debate team won second place sweepstake honors and several individual awards at the Belleville East annual debate tournament, held at Belleville East High School.

Fifty varsity and novice teams, with a total of over 100 students, attended from the Illinois and Missouri area.

Stephanie Southwick and Kim Hunt were quarter finalists with a record of five wins and one loss. Their one loss was to the winner of the tournament, Homewood-Flossmoor, 1973 state champions.

Homewood-Flossmoor, this year's tournament winners, suffered only one loss to the two girls in an earlier round in the competition.

Brian Konzen, Patrick House, Jim Eitumoff and Larry Wyatt, the novice team, won a second place trophy in their division. This was the first competition for the four boys. Both Konzen and House were undefeated with six winning places. They lost the first place award by three points.

First place sweepstake winners was Parkway West of St. Louis with a two-point margin. Sweepstake totals are an accumulation of points of both individual and team points, for an overall team record.

The entire squad, under the

SOUTH HIGH DEBATE TEAM who captured second place Sweepstake Honors and individual awards at the Belleville East annual debate tournament held at Belleville East High School. Left to right, front row, Larry Wyatt, Jim Eitumoff, Patrick House, Brian Konzen, with the second place trophy. Second row, Mike Fuchs, Mike Siebert, Mike Taylor; third row, Larry Rabon, Debbie Velez, Dick Thompson; fourth row, Kim Hunt and Stephanie Southwick.

direction of Ronald Pennell, Siebert, Debbie Velez, Dick debate coach, in addition to Thompson, Mike Fuchs, Larry those named, includes Mike Rabon and Mike Taylor.

Citizens to help seek sewer line easements

State Rep. Horace Calvo said last week groups supporting the program should convince their neighbors to grant free easements as soon as possible for the four-township sanitary sewer program sponsored by the Madison County Board.

"If you get one who is not sure, ask him if he wants sewers. He will probably say 'yes.' Then ask him if he would like the government to pay 75 per cent of the cost, and he probably will say 'yes.'"

"Then just ask him to sign before the cost increases, because he will never get a better deal. Construction costs are rising every day."

The bonding attorney told the gathering.

Engineer Juneau said "those not wishing to hook onto the new sewer still should grant free easements, since the sewer will

help increase property values.

"No one will be forced to tap into the sewer, unless the septic tank is creating a health hazard, in which case the courts could force the property owner to tap on, he explained."

Walter Sparks said the County Maps and Plats Department presently is conducting title searches and preparing easement forms containing legal descriptions of each parcel of property involved.

"As soon as we get a batch of those, we will be asking you to go to work and get your neighbors to grant their easements."

Sparks told volunteers.

Among those who volunteered were 15 members of the Chouteau Business Association who said they would work with Sparks in obtaining easements for the new sewers.

Rev. Dr. E. Stanley Howlett to be honored by NAACP

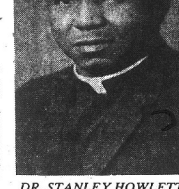

The Madison Branch of the National Association for the Advancement of Colored People (NAACP) will honor Dr. E. Stanley Howlett for his many contributions to the citizens of the area, it was announced today by Harvey Riley, president.

The recognition program will begin at 3 p.m. Sunday, Nov. 10, in the Southern Baptist Church, 921 Bissell St., Venice. The public is invited to attend, according to President Riley.

Dr. Howlett, an employee of Granite City Steel for over 20 years, currently is serving as Minority Affairs Administrator. He also is pastor of the True Light Baptist Church in the inner-city area near the P-411 highway development in St. Louis. Active in the Madison Rotary Club, where he serves as first vice-president, is active in many civic activities such as the Boy Scouts of America, Economic Opportunity Commission, Granite City Co-

ordinated Youth Services board, and is a member of the Governor's Manpower Planning Board.

Dr. Howlett is a graduate of the American Baptist Theological Seminary and received his Doctor of Divinity from the Mississippi Baptist Theological Seminary, Trenton, Miss.

Candidates talk to Optimists

Four candidates for the three positions in the Illinois State Legislature, 56th Legislative District, spoke briefly at the Thursday noon meeting of the Granite City Optimist club in the YMCA.

Candidates for the General Assembly speaking were Horace L. Calvo, Democrat of Granite City and Robert J. Walters, Republican from Alton, both incumbents; and John E. Luco, Democrat of Edwardsville and Everett G. Steele, Republican of Glen Carbon and a former Granite City resident.

An Optimist spokesman commented that all four men appeared highly qualified.

President Frank McGinnis appointed Michael Thorpe and Dr. Scott Henderson as co-chairmen for Optimist Youth Appreciation Week which is to be observed from Nov. 11-17.

Granite City Mayor Paul Schuler has signed an official proclamation setting Youth Appreciation Week for the Nov. 11-17.

\$1,500 boat theft

A 14-foot fiberglass boat, motor and trailer was reported stolen from Lloyd Curtman, 1101 Reynolds St., Madison. Curtman reported Thursday that the items taken were secured to a clubhouse he owns at 801 Layton Road, East St. Louis.

BENEFIT DISCONTINUED

There will be no Christmas solicitation for donations to the Benevolent Blind Service, Inc., of East St. Louis this year, a spokesman for the organization has announced. The discontinuance is due to the death of the organization's founder and president, the Rev. Lloyd L. Calvert.

HARRIS SCHOOL HALLOWEEN PARADE in Madison was held Thursday afternoon with 440 children participating under the watchful eyes of the Mothers' Club, teachers and Madison Police. Each room had a Halloween party with soda and popcorn for the children. The Harris School Mothers' Club presented prizes to the first, second and third place winners in each room.
